POLICY PURSUANT TO NEW YORK STATE GENERAL MUNICIPAL LAW SECTION 22**

WHEREAS, New York State General Municipal Law Section 22 provides for the adoption of a resolution authorizing the County Chief Fiscal Officer to collect certain unpaid County taxes, levies, assessments or other charges, and interest thereon, from the proceeds of any fire insurance policy issued on real property located in Onondaga County, except owner-occupied single family and two-family residential structures; and

WHEREAS, consistent with General Municipal Law Section 22, the County has adopted the required local law providing for the release of funds to the insured in certain instances, subject to such conditions as the County may provide by resolution to guarantee performance of such obligation; now, therefore be it

RESOLVED, that pursuant to General Municipal Law Section 22, the County Chief Fiscal Officer hereby is authorized to claim against the proceeds of a policy of fire insurance insuring the interest of an owner and issued on real property located within the County to the extent of any lien thereon which claim, when made and perfected in the manner provided for within such section, shall constitute a lien against such proceeds and which shall, as to such proceeds, be prior to all other liens and claims except the claim of a mortgagee of record named in such policy; and, be it further

RESOLVED, that pursuant to General Municipal Law Section 22, the Chief Fiscal Officer shall cause a notice of intention to claim against the fire insurance proceeds to be served upon the State Superintendent of Financial Services for entry in the index of tax districts maintained by the Superintendent as provided in NYS Insurance Law §331; and, be it further

RESOLVED, that thereafter, the Chief Fiscal Officer shall render to any insurer the certificate required and in the manner prescribed by Insurance Law §331, and the amounts stated in such certificate shall be a lien on the proceeds of the insurance policy until paid; and, be it further

RESOLVED, that as provided for by local law adopted by this Legislature, the Chief Fiscal Officer shall return or release to the insured any amounts which it would otherwise be entitled to claim, provided that the insured agrees in writing with the County to restore the affected premises to the same or improved condition that it was in prior to the time that such lien against proceeds provided for herein arose, subject to the condition that the agreement shall require the deposit of such funds in an escrow account or the posting of an undertaking in an amount sufficient to assure the restoration of the premises, together with such additional terms and conditions as the Chief Fiscal Officer may deem appropriate to guarantee performance of such obligation or as this Legislature may provide by further resolution; and, be it further

RESOLVED, the actions authorized in this section shall be in addition to any other remedies which may be available for the collection of back taxes, and a claim placed against fire insurance proceeds under this section shall not prevent the County from pursuing any other available remedies, including without limitation any action or special proceeding which may accrue against the insured, insurer, real property or surety under this program.

PUBLIC HEARING
ONONDAGA COUNTY DEPARTMENT OF WATER ENVIRONMENT
PROTECTION
MONDAY, September 30, 2019

The following occurred at 5:03 p.m.:

Commissioner Mento: This is a Commissioner's Hearing to hear public comment on adopting an amended schedule of sewer rents for the Onondaga County Sanitary District; therefore,

It is 5:03 p.m., and I declare the hearing open. Are there any comments to be presented?

(No response).

Commissioner Mento: Since there is no one in attendance for this hearing, I present the following statement for the record:

The existing sewer rent schedule provides for users of the system to be billed based upon the basis of "units", and establishes 1 unit as consumption up to or equaling 137,000 gallons per year as the minimum user rate. Single family residential properties are billed at the minimum rate regardless of usage. Commercial and industrial users consuming 137,000 gallons/year or less are also billed the minimum rate. Larger volume commercial users are billed according to actual consumption.

Over time, typical residential use has been decreasing as low flow plumbing fixtures have been required by new building codes. This has created a disparity as typical residential use is now below 137,000 gallons/year. To compensate for this disparity and to more equitably distribute the costs of the system, WEP is proposing lowering the minimum units to 125,000 gallons/year beginning in 2020. This will allow for high volume users to be billed more units (if warranted) and pay a more equitable share of the system costs. A Legislative public hearing on the proposed amended schedule is tentatively scheduled for December 3, 2019.

That concludes my statement, and, as no one is in attendance, I declare this hearing to be closed.

(End of hearing at 5:05 p.m.)

WHEREAS, the Onondaga County Centralized Arraignment Program began on December 17, 2017; the Centralized Arraignment Program includes all custodial arraignments in Onondaga County; and

WHEREAS, Onondaga County's Centralized Arraignment Program uses two arraignment sessions each day: the Syracuse City Court morning arraignment sessions; and a newly created evening Centralized Arraignment Part (CAP) session that is conducted between 6 p.m. and 10 p.m.; and

RESOLUTION NO. _____

MEMORIALIZING THE NEW YORK STATE LEGISLATURE TO APPROPRIATE FUNDS TO
ONONDAGA COUNTY FOR ADDED COSTS IN COMPLYING WITH NEW YORK STATE
CRIMINAL JUSTICE REFORM LEGISLATION

WHEREAS, on April 1, 2019, Governor Cuomo passed sweeping Criminal Justice Reform Legislation, Advancing Criminal Justice for All, by implementing Bail Reform, Discovery Reform, and Speedy Trial Reform; and

WHEREAS, Bail Reform eliminates cash bail for misdemeanors and non-violent felonies, requires police officers to issue desk appearance tickets for misdemeanors and Class E felonies, significantly reducing the number of people held in jail while awaiting their day in court; and

WHEREAS, Bail Reform Law requires that the Onondaga County Department of Probation administer pretrial services and be responsible for supervising defendants released with non-monetary conditions, administering court appearance reminders by text, phone, email, or first class mail, and submitting annual reports; and

WHEREAS, complying with the mandatory Bail Reform Law imposes significant increased budgetary demands on the Onondaga County Department of Probation by imposing increased personnel and administrative costs without any State funding; and

WHEREAS, Discovery Reform repeals and replaces Article 240 of the Criminal Procedure Law and replaces it with Article 245 of the Criminal Procedure Law, that requires that the prosecution provide discovery material to the defendant within 15 days of arraignment, requires that the prosecution and defense share all information in their possession well in advance of trial, and enables defendants to review evidence the prosecution possesses at least 3 days prior to pleading guilty to a crime; and

WHEREAS, Discovery Reform mandates that the Onondaga County District Attorney's Office to turn over 21 different kinds of discovery material to the defense, which includes all 911 calls, electronic recordings, name and contact information of any and all persons having relevant information, all statements by any person, name and information of all law enforcement personnel involved in the case, and rewards, promises or inducements offered to prosecution witnesses. The District Attorney's failure or inability to comply with these automatic and expedited discovery demands may have the potential to have the charges dismissed; and

WHEREAS, complying with the Discovery Reform Law mandates that the Onondaga County District Attorney's Office rely heavily on its legal and administrative staff, the Onondaga County Sheriff's Department, local police agencies, 911 Emergency Department, Medical Examiner's Office, and local area hospitals, imposes exorbitant budgetary demands on the Onondaga County District Attorney's Office, and the local agencies it works with, by imposing increased personnel, administrative, and technical costs without any State funding; and

WHEREAS, Speedy Trial Reform addresses excessively long pre-trial periods to reduce the backlog of criminal cases by requiring courts to increase accountability, reducing unnecessary delays, and ensuring all parties are prepared for trial by requiring the prosecutor to file a certificate of compliance, that all discovery material has been to the defense, prior to any statement of readiness for trial; and

WHEREAS, complying with the Speedy Trial Reform Law mandates that the Onondaga County District Attorney's Office and the local agencies, incur increased personnel and administrative costs in order to comply with the automatic and expedited discovery demands without any State funding; and

WHEREAS, the Onondaga County Legislature is firmly committed to implementing the New York State Criminal Justice Reform Legislation by requesting State funding to alleviate Onondaga County's budgetary constraints in covering the additional personnel and administrative costs necessary to comply and implement the law; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby implores that the New York State Legislature enact specific funding appropriations to comply with Bail Reform Law that is scheduled to take effect January 1, 2020; and, be it further

RESOLVED, that this Onondaga County Legislature hereby implores that the New York State Legislature enact specific funding appropriations to comply with the automatic and expedited discovery demands imposed by the Discovery Reform Law enacted as Article 245 of the Criminal Procedure Law that is scheduled to take effect January 1, 2020; and, be it further

RESOLVED, that this Onondaga County Legislature hereby implores that the New York State Legislature enact specific funding appropriations to comply with Speedy Trial Reform Law that is scheduled to take effect January 1, 2020; and, be it further

RESOLVED, that the Clerk of this Legislature is hereby directed to transmit a copy of this resolution to the New York State Governor and the New York State Legislators, urging immediate attention to this matter.
