February 6, 2018

Good afternoon Honorable Legislators,

My name is Brian Shapiro, New York State Director for The Humane Society of the United States, the nation's largest animal protection organization. I've served as the ED for the Ulster County SPCA and also as a county legislator in Ulster and a town board member for 13 years. Therefore, I truly appreciate your commitment, hard work and public service.

The HSUS strongly supports Adrian's Law and respectfully asks that this body vote favorably on the legislation.

Well-written extreme weather provisions, as detailed in Adrian's Law, provide clear guidelines for both pet owners and law enforcement. By listing exact temperatures, subjectivity – an ongoing challenge under current state law - is removed. Law enforcement should have clear, objective standards and tools for determining when a dog needs to be removed in an extreme weather situation. Owners also need such direction. This language would protect dogs from the harshest conditions. During snow storms or extreme cold, dogs kept outdoors often lack access to adequate protection from precipitation and freezing winds. Cases of animals left outside in dangerous weather are one of the most reported incidents of animal cruelty identified by The HSUS and local SPCAs and humane societies, but current language makes it difficult for enforcement officers to take action before a dog has suffered an injury or death due to exposure.

As you can see in this photo of Adrian, he had what was arguably acceptable housing under NYS law – shelter, in this case a dog house and hay as bedding. It is clear that the subjectivity of the state law was not strong enough to provide protection from frostbite and death. In addition, on Thursday of last week, I received notice from Town of Champlain, NY, near the Vermont border, of *"multiple dogs tied outside 24/7 regardless of temperature."* This problem is endemic across, New York, and Onondaga County can do something to help stop this right here, right now, in this community.

Some people may believe that certain dog breeds are incapable of freezing to death. This is not factually accurate. Extreme weather can cause serious health issues and death for any breed of dog. According to the American Veterinary Medical Association: *"It's a common belief that dogs and cats are more resistant than people to cold weather because of their fur, but it's untrue. Longer-haired and thick-coated dog breeds, such as huskies and other dogs bred for colder climates, are more tolerant of cold weather; but no pet should be left outside for long periods of time in below-freezing weather."*

Adrian's Law is practical, and would provide a meaningful tool for law enforcement to help protect the health and safety of animals and create safer communities. **The HSUS applauds the legislature for recognizing the urgency of this matter since we're experiencing freezing temperatures that will continue for weeks to come.** Thank you kindly for the opportunity to present before you and to once again express our support for this legislation.

Sincerely,

New York State Director

RESOLUTION NO. _____

AMENDING THE 2018 COUNTY BUDGET TO MAKE FUNDS AVAILABLE IN CONNECTION
WITH THE CENTRAL LIBRARY RECONFIGURATION PROJECT

WHEREAS, the Central Library Reconfiguration Project undertook a series of renovations intended to change the layout and division of space within The Galleries, a building with a Library Unit held by the County of Onondaga and a Commercial Unit held by Onondaga Galleries Limited Liability Company under a condominium plan; and

WHEREAS, the County's improved space has allowed the Central Library to gain efficiencies and condense its operations to occupy fewer floors in the building, creating an opportunity to generate income from leasing approximately 60,000 square feet of the Library Unit to SUNY Upstate Medical University through a long-term lease (Local Law No. 12-2014); and

WHEREAS, the rental income generated by the lease supported the full cost of the landlord work and tenant improvements needed to make the fourth and fifth floors of the Library Unit compliant with building codes and suitable for lease to SUNY Upstate Medical University, while also supporting the cost of the County's responsibilities under such lease, as well as the cost of renting approximately 28,269 square feet of the Commercial Unit commencing on or about August 1, 2015; and

WHEREAS, the Onondaga County Legislature adopted Local Law No. 13-2014 on November 3, 2014 providing for such lease of space within the Commercial Unit for a period of years needed to cover the period for which the County has authorized bonds outstanding for the library renovation project, such period not to exceed 25 years; and

WHEREAS, Local Law No. 13-2014 authorized the County to have an option to purchase the leased property within the Commercial Unit for \$2,355,520, such option to be exercised after November 1, 2017, but not later than December 31, 2019; and

WHEREAS, the County entered into a certain Lease Agreement, dated July 17, 2015, under which The Onondaga Galleries Limited Liability Company shall sell, and the County shall purchase, the leased space, committing each party to take such steps as may be necessary to close such transaction by December 31, 2017; and

WHEREAS, the 2014 County Budget was amended by Resolution No. 176-2014 to establish Grant Project #767351 (OCPL Galleries Leases) to receive rent payments from SUNY Upstate Medical University which are used to provide services to the County's tenant, make improvements in connection with such lease, and offset costs associated with lease of space from The Onondaga Galleries Limited Liability Company; and

WHEREAS, the total lease payments due for the period of years for which the County has authorized bonds outstanding for the library renovation projects would have amounted to \$5,276,880, an amount far in excess of the purchase price of \$2,355,520; and

WHEREAS, going forward, the rent to be collected from SUNY Upstate Medical University or other tenants of the Library Unit's fourth and fifth floor will be used to keep the spaces in use and to pay for services and maintenance typically provided by a landlord to its tenants, as well as to provide the source of funding for the purchase price of \$2,355,520; now, therefore be it

LOCAL LAW NO. ____ - 2018

A LOCAL LAW PROTECTING AND PROVIDING FOR THE HEALTH AND WELL-BEING OF
DOGS IN ONONDAGA COUNTY, AND AMENDING LOCAL LAW NO. 5 - 2017

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA,
AS FOLLOWS:

Section 1. Findings/Purpose.

Often referred to as “man’s best friend”, dogs are companions, valued for the animals’ loyal behavioral traits and ability to be kept in close proximity to people in domestic situations. Some dogs are left outdoors without appropriate shelter or without means to protect themselves. These animals are exposed and vulnerable to changing weather conditions. In Onondaga County, weather conditions are famously known to change quickly and dramatically. By way of example, dangerous conditions include: temperatures at extreme ends of the spectrum, subzero wind chills, sun, thunderstorms, and high humidity. No dog should be left outside and exposed to the weather for prolonged periods when the temperature falls below the freezing point of water. With temperatures below the freezing point, a dog may experience harm and damage to its skin, causing pain.

Consistent with Municipal Home Rule Law section 10(1)(ii)(a)(12), this local law protects and provides for the health and well-being of dogs in Onondaga County by regulating the manner in which dogs may be kept outdoors. This local law is intended to provide greater protection for dogs than found within New York State Agriculture and Markets Law Sections 353-b and 353 at the time of adoption. Humane treatment of dogs not only provides these animals with a better quality of life, but may also reduce the likelihood of dogs having harmful behaviors towards other animals. It is believed that most shelters provided for dogs outside do not provide adequate protection. Refuge within permanent structures is needed.

Section 2. Regulations.

(a) Prohibition.

No person who owns or has custody or control of a dog shall knowingly leave such dog outdoors either (1) for prolonged periods during such period of time as extreme weather conditions exist or, alternatively, (2) for longer than a period of 30 minutes at such time as when the actual air temperature is lower than 32° Fahrenheit (not accounting for wind chill), where either such condition is actually known to such person or reasonably should have been known to such person.

Extreme weather conditions shall be presumed to have been present in the event that a weather alert was in effect for a region reasonably construed and commonly understood to be affecting the region in which the dog was left outdoors and during such time as the dog was left outdoors.

A dog exhibiting signs of frostbite shall be presumed to have been left outdoors for longer than a period of 30 minutes at such time as when the actual air temperature was lower than 32° Fahrenheit.

It shall not be a defense to this local law that the standard of care toward a dog under any other statute was met by a person who owns or has custody or control of a dog, including by way of example New York State Agriculture and Markets Law Sections 353-b and 353. Actual harm or injury need not be shown to prove a violation of the prohibition in this subsection (a). Such prohibition shall apply to each and every dog, regardless of any such dog’s individual and specific breed and physical condition.

(b) Definitions.

For purposes of this local law, the terms listed below have specific definitions, as follows.

- “extreme weather conditions” shall include inclement weather, being weather conditions that are likely to adversely affect the health or safety of the dog, including but not limited to rain, sleet, ice, snow, wind, or extreme heat and cold, and otherwise consistent with the provisions of New York State Agriculture and Markets Law Section 353-b(1)(b), as may be amended from time to time.
- “weather alert” shall mean a broadcast of the National Weather Service regarding one of the following weather-related events, reasonably construed to be affecting the region in which the dog was left outdoors: blizzard warning, severe thunderstorm (watch or warning), severe weather statement, tornado (watch or warning), winter storm (watch or warning).
- “outdoors” shall mean a location outside a permanent structure capable of habitation or occupancy by people during an extreme weather event or period of time with temperatures falling below 32° Fahrenheit, such as a house, apartment building, or office building. Excluded from such definition shall be wire cages and non-insulated structures, including those made of plastic (e.g., calf hutch).

Section 3. Enforcement, Penalties, and Registration Obligations.

(a) Enforcement Officers.

This local law shall be enforced by the Onondaga County Sheriff’s Office, or designee, and may also be enforced by any police officer, local dog control officer, animal control officer, New York State Police, having jurisdiction within Onondaga County, or any other officers as may be designated by the Onondaga County Legislature via resolution from time to time. Such enforcement officers shall have the authority to enforce the provisions of this local law and to take such necessary and related enforcement actions, including, without limitation, accepting, recording, and investigating complaints, issuing appearance tickets, obtaining supporting depositions, and preparing and submitting criminal and civil complaints to a court of competent jurisdiction.

(b) Classification of Offense.

Any person who violates the prohibition found within Section 2(a) of this local law, shall, upon conviction thereof, be guilty of a violation, as defined in Section 55.10 of the New York State Penal Law, as may be amended from time to time. Each calendar day in which such person violates Section 2(a) of this local law shall constitute a separate offense.

(c) Penalties and Registration.

The court, in its discretion, may impose a sentence of imprisonment to be fixed by the court for a term not to exceed fifteen days, consistent with Section 70.15(4) of the New York State Penal Law, a sentence to pay an amount to be fixed by the court not exceeding the amount of two hundred fifty dollars, consistent with Section 80.05(4) of the New York State Penal Law, or both.

The court may also elect to cause the dog(s) underlying the basis of the conviction to be surrendered or otherwise forfeited by the person after such conviction. The surrender or forfeiture shall be to an enforcement officer, as provided herein above.

In lieu of or in addition to any other penalty imposed under this local law, the court may impose upon any person who fails to comply with Section 2 of this local law a civil penalty, enforceable and collectable by Onondaga County, in the amount of two hundred fifty dollars for a first offense, five hundred dollars for a second offense, and one thousand dollars for each additional offense.

Conviction of a person under this local law shall require such person to register with the Animal Abuser Registry as an Animal Abuse Offender and to comply with the entirety of Local Law No. 5 - 2017, as amended herein below.

(d) Disposition of Fines.

All fines collected pursuant to this local law shall be the sole property of Onondaga County, kept and accounted for separately, to be used for promoting animal welfare within Onondaga County, including, programs of public education.

Section 4. Severability.
