### Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The proposed action is the long-term leasing of property and facilities owned by the Onondaga County Water District to the Onondaga County Water Authority and entering into a related long-term operation and maintenance agreement for the maintenance, operation, repair and reconstruction of the Water District's facilities. This action is related to the management of public water supplies between two public entities which serve similar roles in the community and does not involve any proposed transfers of ownership. Therefore, in accordance with article 8 of the Environmental Conservation Law, the County, as lead agency, has determined that the proposed unlisted action will not result in any significant adverse environmental impacts and hereby issues a negative declaration.

<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

Motion Made By Mr. McMahon

RESOLUTION NO. 169

CONFIRMING AN AMENDMENT TO THE CURRENTLY EFFECTIVE SCHEDULE OF RATES TO  
BE CHARGED FOR WATER AND WATER SERVICE PROVIDED BY THE ONONDAGA  
COUNTY WATER DISTRICT

WHEREAS, consistent with Resolution No. 162-2014, the proposed Schedule of Rates to be Charged for Water and Water Service provided by the Onondaga County Water District is to be considered by the Onondaga County Legislature at the same time as the Executive Budget for the year 2017, and the Ways and Means Committee of the Onondaga County Legislature has duly reviewed the proposed the Schedule of Rates to be Charged for Water and Water Service provided by the Onondaga County Water District; and

WHEREAS, pursuant to Resolution No. 142-2016, a Public Hearing was duly held on October 6, 2016, upon the proposed Schedule of Rates, upon due notice according to law, and at such time all persons desiring to be heard were heard, and it is necessary to adopt such proposed Schedule of Rates, as provided herein below; and

WHEREAS, this Schedule of Rates anticipates that the Onondaga County Water Authority (OCWA) assume by contract the operations and maintenance of the assets for the Onondaga County Water District, bearing responsibility for all costs and expenses attributable to the District, excepting costs and expenses attributable to debt service for the District's capital improvements and legacy costs remaining with the District after such transfer, and, as consideration for OCWA's assumption of such costs and expenses, the rate for the Internal Customer, OCWA, for receipt of wholesale water shall be \$0.00, with OCWA being entitled to retain all revenues generated from the sale of such water; now, therefore be it

RESOLVED, that the Schedule of Rates to be Charged for Water and Water Service provided by the Onondaga County Water District is hereby approved, as provided within the County Executive's 2017 Executive Budget, effective January 1, 2017, where such schedule reads as follows:

"All deliveries shall be made pursuant to contracts in writing between the customer and Onondaga County Water District and, except as otherwise provided in such contracts approved by the County Legislature, charges for water and water service shall be made in the manner following:

SCHEDULE NO. 1: For each Internal Customer, except the City of Syracuse, charges for water and water service will be made on a dual basis-commodity charge based on actual consumption as measured by the meter at the point of connection to the District system (meters to be read and customers to be billed monthly), plus a capacity charge based on peak demand placed by the customer on the District system; these charges shall be computed by applying to actual consumption the following rates:

COMMODITY CHARGE: \$0.00

CAPACITY CHARGE: \$0.00

SCHEDULE NO. 2: For the City of Syracuse, the charge for water and water service will be at the rate of \$1.27 per thousand gallons actually consumed as measured by the meter at the point of connection to the District system (meter to be read and bill to be rendered monthly); PROVIDED, however, that the City will pay a minimum annual charge (calendar year) of \$50,000 in equal monthly installments, for which the

City may take 39,370,079 gallons of water in that year; for any water consumed in excess of this quantity during such year an additional charge will be made at the rate of \$1.27 per thousand gallons of excess.

SCHEDULE NO. 3: For each External Customer of the Onondaga County Water District, charges for water and water service will comprise the following monthly and annual charges:

A monthly charge for water actually delivered and sold, computed and payable in the manner prescribed as follows:

charges for water and water service will be made on a dual basis-commodity charge based on actual consumption as measured by the meter at the point of connection to the District system (meters to be read and customers to be billed monthly), plus a capacity charge based on peak demand placed by the customer on the District system; these charges shall be computed by applying to actual consumption the following rates:

COMMODITY CHARGE: (per 1,000 gallons per month)

First 30,000,000 gallons \$1.07

Next 80,000,000 gallons \$1.06

Next 180,000,000 gallons \$1.05

Over 290,000,000 gallons \$1.04

CAPACITY CHARGE: \$3.85 per month per thousand gallons on the day of peak demand calculated by multiplying the average day during the prior year by a factor of 1.5. During the initial year of service the peak day will be adjusted monthly using cumulative daily average consumption and the 1.5 multiplier.

PLUS: An annual charge computed and payable in the manner prescribed in Article III, Section 3.4(c) of the currently effective Rules and Regulations for the Operation of the Onondaga County Water District. The terms "Internal Customer" and "External Customer" shall apply to and comprise customers within the scope of these terms as defined in Article I, Section 1.9 and 1.10 of the currently effective Rules and Regulations for the Operations of the Onondaga County Water District.

When a customer has more than one (1) connection to the District system, a meter will be installed at each point of connection and customer will be billed on a conjunctive basis."

and, be it further

RESOLVED, that, except as herein and hereby amended, the currently effective Schedule of Rates to be Charged for Water and Water Service Provided by the Onondaga County Water District, as heretofore confirmed, ratified, amended, and approved by action of this Onondaga County Legislature shall remain in full force and effect; and, be it further

RESOLVED, that if any clause, sentence, paragraph, or section of this resolution shall be adjudged by any court of competent jurisdiction to be invalid, such adjudication shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, or section directly involved in the proceeding in which such adjudication shall have been rendered; and, be it further

RESOLVED, that this resolution be certified as amended to the proper officials of the City of Syracuse pursuant to the laws of the State of New York and for publication in the Legislative Journal.

LOCAL LAW NO. \_\_\_\_ - 2016

A LOCAL LAW REGARDING CONSOLIDATION OF THE PUBLIC WATER SUPPLY SYSTEM  
BETWEEN THE COUNTY OF ONONDAGA AND THE ONONDAGA COUNTY WATER  
AUTHORITY (OCWA)

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA,  
AS FOLLOWS:

Section 1. Findings/Purpose. Water is an immeasurably valuable asset for generating opportunities for economic growth and development, and regional prosperity is promoted by having strong, sustainable, long-term water supply and distribution network systems.

The County of Onondaga is the owner of property, both real and personal, constituting water district assets for the Onondaga County Water District, the Southwood-Jamesville Water District, and the Warners Water District (collectively "Districts"). This local law sets forth the details by which Onondaga County cooperates with the Onondaga County Water Authority (OCWA), a public water authority, to consolidate the parties' respective network of public water supply systems for the benefit of all users.

To achieve greater levels of economy and efficiency, the County has reorganized several of its administrative units, changing the way in which services are delivered and administered and investing in new enterprise technologies and structures. In this same vein, the County intends to effectuate a consolidation of operations and a combination of physical assets with OCWA.

Section 2. Agreement Authorized. The County Executive is hereby authorized to execute agreements and such other documents as may be reasonably needed granting use and access to the property of the Districts, both real and personal, for a period not to exceed a period of thirty (30) years, where the intent of such agreements is to effectuate the consolidation of the public water supply system between the County and OCWA. The consideration for such use and access shall be the continued benefit to the public of a long-term, strong and sustainable water supply and the anticipated efficiencies and cost savings to be gained from the consolidated administration and operation of the Districts' assets. OCWA shall be engaged to provide operations and maintenance services in connection with the use and access to the Districts' assets.

Section 3. Continuation of Districts. Each of the County's Districts shall continue in effect: the Onondaga County Water District, the Southwood-Jamesville Water District, and the Warners Water District. The Metropolitan Water Board shall continue to be the Administrative Head of the Onondaga County Water District, advising the County Executive and the County Legislature on matters relative to such district. A Schedule of Rates to be Charged for Water and Water Service provided by the Onondaga County Water District shall continue and be periodically amended on recommendation of the Metropolitan Water Board and after confirmation by the County Legislature, consistent with prior legislation and Resolution No. 162-2014.

Section 4. Environmental Assessment. Documentation shall be retained showing that activities undertaken in connection with this local law are in compliance with the State Environmental Quality Review Act and have been subjected to the appropriate programmatic reviews.

Section 5. Effective Date. This local law shall take effect on January 1, 2017, and shall be filed in accordance with provisions of the Municipal Home Rule Law, subject to a permissive referendum.

LOCAL LAW NO. \_\_\_\_ - 2016

A LOCAL LAW REGARDING FEES COLLECTED BY THE ONONDAGA COUNTY  
DEPARTMENT OF EMERGENCY MANAGEMENT IN CONNECTION WITH USE OF THE  
MOBILE COMMAND VEHICLE FOR COORDINATION OF SPECIAL EVENTS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS  
FOLLOWS:

Section 1. Findings/Purpose. The Department of Emergency Management acquired a mobile command vehicle to assist emergency responders, support organizations and governments with response to large scale incidents. Due to the capabilities of the unit, it has become popular to utilize for special event coordination. This local law establishes a schedule of fees related to the use of the vehicle and authorizes the execution of agreements with municipal entities as appropriate.

Section 2. Collection of Fees Authorized. The Onondaga County Commissioner of the Department of Emergency Management is hereby empowered to collect fees in connection with the use of the mobile command vehicle ("Unit") for coordination of special events, as stated herein.

Special Events: This schedule of fees applies to the use of the mobile command vehicle for special events, not emergency events. It is anticipated that such special events may include, but are not limited to: marathons, auto/boat races, fairs, festivals, civic functions, parades, concerts, sporting events, and public firework displays.

Unit Fees: Rental of the Unit shall be billed in hour increments. For an initial period of four hours, the cost shall be five hundred dollars (\$500.00), where such cost excludes the cost for Unit Operators, as specified herein below. Each additional hour shall cost one hundred dollars (\$100.00). The rental period begins at the time the Unit is requested to be operational and is made available for use.

Rentals in connection with special events promoted and/or sponsored by not-For-Profit organizations classified as being tax exempt under Internal Revenue Code Section 501(c)(3) shall be entitled to rent the Unit at the rate of four hundred dollars (\$400.00) for the initial four hour period and at a rate of eighty dollars (\$80.00) for each additional hour.

Unit Operators: The Unit requires a minimum of two (2) personnel to deliver, set-up and staff the unit during an event. The cost for each Unit Operator is twenty-five dollars (\$25.00) per hour.

Damages: Contracts for the use of the Unit shall provide a clause whereby the County is to be held harmless for damages. Any damage to the Unit, including the equipment contained therein, will be billed back to the event sponsor or promoter as a fee.

The procedures for the collection of such fees shall be as prescribed by the appropriate laws of the State of New York and any amendments thereto, or as determined by the Onondaga County Commissioner of Emergency Management where the State has not enacted procedures. For good cause shown, the Commissioner of Emergency Management may waive any and all fees prior to the time of deployment.

Compensation to be paid for use of the vehicle in providing aid during emergency events, including assisting emergency responders at the request of law enforcement, EMS agencies, fire departments or city, towns or villages, shall continue to be at the discretion of the Commissioner of Emergency Management.

Section 3. Contracts Authorized. The County Executive is hereby authorized to enter into contracts and execute such other documents as may be needed to implement the intent of this local law.

Section 4. Effective Date. This local law shall take effect January 1, 2017, and shall be filed pursuant to the Municipal Home Rule Law.

LOCAL LAW NO. \_\_\_\_ - 2016

A LOCAL LAW AMENDING THE ADMINISTRATIVE CODE REGARDING MAINTAINING  
INVENTORIES OF THE COUNTY'S PROPERTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Findings/Purpose. To protect the public's investment in the County's property and resources, it is necessary to maintain accurate and current inventories. The Division of Purchase presently bears this responsibility. However, with the implementation of enterprise technology and controls, the Finance Department, headed by the Chief Fiscal Officer is better suited to track property and its use across and within departments and units of County government. This local law amends the Administrative Code to shift these executive duties.

Section 2. Amendment. The Onondaga County Administrative Code, being Local Law No. 1-1975, as previously amended, is hereby further amended as follows:

From within Section 3.06, powers and duties of the Purchasing Director, strike subsections (d), (e), and (h) in their entirety, consecutively renumbering the remaining subsections such that they become subsection (a) through (g).

To Section 4.02, powers and duties of the Chief Fiscal Officer, add three new paragraphs to subsection (a), as follows below, then renumber such section in a way that eliminates the present reference to subsection (a), as there is no coordinate subsection (b). Thereafter, all enumerated powers and duties shall be renumbered such that they are to become subsections (a) through (i).

The additional language is to be new subsections (e), (f), and (g):

(e) be responsible, except as may otherwise specifically be provided in this Code, whether directly or by providing direction and assistance to departments and other units of County government, for the maintenance of all records pertaining to materials, supplies and equipment owned by or otherwise within the jurisdiction of the County government;

(f) be responsible, whether directly or by providing direction and assistance to departments and other units of County government, for the transfer of materials, supplies and equipment among such departments and units as required, subject to the approval of the County Executive;

(g) be responsible, whether directly or by providing direction and assistance to departments and other units of County government, for the receipt, storage, and protection of supplies, materials, and equipment utilized by the County government throughout its various departments, offices, divisions, agencies and other units;

Section 3. Effective Date. This local law shall take effect immediately upon filing in the Office of the Secretary of State pursuant to section 27 of the Municipal Home Rule Law.
