Subject: Onondaga County Sportsmen's representative to the Region 7 Fish and Wildlife Management Board

Dear Joanne Mahoney;

At the end of 2015, my term as the alternate sportsmen's representative for our county on the DEC Region 7 Fish and Wildlife Management Board (FWMB) expires. Earlier this year, Michael Cusano had stepped down as the primary delegate and I took over being our delegate.

The procedure for appointing a sportsmen's representative for our county starts with a recommendation from the Onondaga County Federation of sportsmen's Clubs (OCFSC) to our County Executive. The County Executive then presents the appointment to the County Legislature which confirms it.

On October 5, 2015, the Board of Directors of the OCFSC voted to recommend Stephen Wowelko to continue another term as the Sportsmen's Representative for Onondaga County to the R7 FWMB. They also voted to recommend David Simmons as the alternate representative.

Stephen Wowelko was selected as vice-chairman of the R7 FWMB this year. The board felt that Wowelko's commitment to the outdoor sports and involvement in various sportsmen's organizations makes him a prime candidate to continue to represent the sportsmen of our county on this board. David Simmons is currently serving as president of the Onondaga County Federation of Sportsmen's Clubs. Both Wowelko and Simmons have been inducted into the New York State Outdoorsmen Hall of Fame.

Please consider Stephen Wowelko and David Simmons when making your appointments to these positions.

Sincerely,

Stephen Wowelko

The following occurred at 4:15 p.m.:

Commissioner Rhoads: This is a Commissioner's Hearing to hear public comment on increasing appropriations for the West Side Pump Station project to accept grant funds from the NYS EFC in the amount of \$1,239,444.; therefore,

It is 4:15 p.m., and I declare the hearing open. Are there any comments to be presented?

(No response).

Commissioner Rhoads: Since there is no one in attendance for this hearing, I present the following statement for the record:

The County recently received a Water Grant to upgrade sewer infrastructure on the Village of Solvay. This infrastructure is associated with the West Side Pump Station and will become part of the rehabilitation project. With the addition of this work, the revised project cost will be \$19,389,444. It should be noted that the grant received will be used exclusively for the Village of Solvay portion of the project and will not impact any previous authorizations.

That concludes my statement, and, as no one else is in attendance, I declare this hearing to be closed.

Motion Made By Mr. Knapp

RESOLUTION NO. _____

AMENDING THE 2017 COUNTY BUDGET AND PROVIDING FOR VARIOUS PERSONNEL
CHANGES

WHEREAS, by Resolution No. 172 - 2016, the 2017 County Budget was adopted, fixing the amount of tax to be levied, assessed and collected upon the taxable property of the County of Onondaga, where such fixed amount was determined by this County Legislature, based upon a set of estimated revenues and authorized expenditures, relying upon priorities established by the County Executive within her proposed budget, accounting for forecasts made by the administration, and having the benefit of testimony presented to the Ways & Means Committee and reported to this County Legislature; and

WHEREAS, by Resolution No. 143-2016, the Voluntary Retirement Incentive Program was established, incentivizing eligible individuals to voluntarily leave the County's workforce not later than the end of 2016; and

WHEREAS, the information about the participation in such program was not yet available during the budget deliberations, but now, with the conclusion of the election period, it is necessary, for reasons of economy and efficiency, to continue the reorganization of the County's administrative units, providing a means of implementing management strategies for the next fiscal year and reshaping the County's workforce, in addition to personnel moves to be taken within powers granted to heads of administrative units, where all such changes are to be made without amending the fixed amount of revenue to be received by way of the real property levy and other estimated revenues; and

WHEREAS, to effectuate some of the following changes, it is necessary to provide for a set of transfers of functions, positions, and employees among departments, consistent with applicable law; now, therefore be it

RESOLVED, that the 2017 County Budget be amended and that the personnel changes be made to the roster of authorized regular positions, as stated herein below following the final resolved clause, where all such changes are to be effective on January 1, 2017; and, be it further

RESOLVED, that this Onondaga County Legislature hereby authorizes the transfer of the functions, positions, and employees, as provided herein below, and such transfers are made pursuant to Section 70.2 of New York State Civil Service Law, effective January 1, 2017; and, be it further

RESOLVED, that from within the Facilities Department (Admin. Unit 05), the following position and employee, together the associated functions performed, is to be transferred to the Personnel Department (Admin. Unit 71), effective January 1, 2017:

Position No. 4758 Admin Assistant, Grade 9 @ \$46,434 - \$51,361

; and, be it further

RESOLVED, that from within the Facilities Department (Admin. Unit 05), the following position and employee, together the associated functions performed, are to be transferred to the Finance Department (Admin. Unit 39), effective January 1, 2017:

Position No. 7368 Accountant 2, Grade 11 @ \$53,341 - \$59,036

; and, be it further

RESOLVED, that the Onondaga County Salary Plan is hereby amended to add the title of Parks Maintenance Crew Leader, effective January 1, 2017; and, be it further

RESOLVED, that the Commissioner of Personnel is hereby authorized to make any administrative corrections as may be reasonably needed to effectuate the intent of this resolution.
