AUTHORIZE THE COUNTY COMPTROLLER TO TRANSFER 2016 UNENCUMBERED  
APPROPRIATIONS AND APPROPRIATE REVENUE AFTER EXPIRATION OF THE 2016 FISCAL  
YEAR UPON APPROVAL OF THE COUNTY EXECUTIVE AND THE CHAIRMAN OF THE WAYS  
& MEANS COMMITTEE

WHEREAS, from time to time County departments are subject to fluctuating costs for programs, goods or services because of vendor invoicing errors, imperfect cost projections, public emergencies and other unforeseen events; and

WHEREAS, some fluctuating costs and collected revenues may from time to time exceed the adopted budget as modified appropriation and revenue accounts; and

WHEREAS, generally accepted accounting principles require that all material costs incurred in a fiscal year must be accounted for in that fiscal year's financial reports; and

WHEREAS, it is highly desirable to adjust the control appropriation accounts in order to prevent negative balances and comply with New York State Law; and

WHEREAS, the issuance of wholly accurate annual financial statements is not achievable without all necessary budget modifications; and

WHEREAS, it is highly desirable to adjust the affected appropriation accounts as soon after year-end as reasonably possible, thereby permitting the timely issuance of the annual financial reports; and

WHEREAS, the County's ability to obtain favorable borrowing rates is enhanced by the timely issuance of annual financial statements; and

WHEREAS, it is generally necessary to obtain legislative approval for transfer transactions which exceed \$7,500, to appropriate excess revenue and to appropriate fund balance; and

WHEREAS, it is necessary to authorize the adjustment to correct for negative account balances as provided for herein; now, therefore be it

RESOLVED, that the County Legislature authorizes the County Comptroller, upon the approval of the County Executive and the Chairman of the Ways and Means Committee, to transfer 2016 unencumbered appropriation account balances between and among all Countywide appropriation accounts, to appropriate excess revenue and to appropriate fund balance to all Countywide appropriation accounts; and, be it further

RESOLVED, that a record of such transfers be prepared by the Comptroller's Office and presented to the Chairman of the Ways & Means Committee for review and approval following the closure of the County's 2016 financial records and that such report shall be presented to all members of the Ways and Means Committee within 15 days of closure of said financial records; and, be it further

RESOLVED, that the Comptroller and Finance Department Division of Management and Budget will respond, in writing, to the Chairman of the Ways and Means Committee regarding any item of transfer requiring an explanation; and, be it further

RESOLVED, that the terms and conditions of this resolution shall begin on December 20, 2016 and lapse on April 30, 2017, but may however, be renewed for each succeeding fiscal year by an act of this Legislature.

Motion Made By Mr. Ryan

RESOLUTION NO. 260

MEMORIALIZING SUPPORT FOR THE ENACTMENT OF LEGISLATION TO REQUIRE THE UNITED STATES SECRETARY OF HEALTH AND HUMAN SERVICES TO ESTABLISH A FIREFIGHTERS CANCER REGISTRY (S. 2799/ H.R. 4625)

WHEREAS, within the United States Senate and House of Representatives, legislation is introduced known as the "Firefighter Cancer Registry Act " (S. 2799/ H.R. 4625), and, if passed, such legislation would require the Secretary of Health and Human Services to develop a voluntary patient registry to collect data on cancer incidence among firefighters; and

WHEREAS, stated within such legislation are findings that there are studies demonstrating a strong link between firefighting and increased risk for several major cancers, attributed to the firefighters' frequent exposure to harmful substances, and to advance research on cancer risks and to develop knowledge around precautionary measures intended to mitigate those risks, it is necessary to establish a registry where firefighters may voluntarily report information, creating a centralized repository and database; and

WHEREAS, such data is intended to be protected and kept secure consistent with best practices and applicable federal law, including the Health Insurance Portability and Accountability Act (HIPAA); and

WHEREAS, this Onondaga County Legislature finds that the residents of Onondaga County would benefit from the enactment of such legislation and the facilitation of further research on cancer risks and mitigation measures; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby memorializes its support for the enactment of legislation that would require the Secretary of Health and Human Services to develop a voluntary patient registry to collect data on cancer incidence among firefighters (S. 2799/ H.R. 4625); and, be it further

RESOLVED, that the Clerk of this Legislature is hereby directed to cause a copy of this resolution to be transmitted to the several legislators representing Onondaga County at the federal level.
