WHEREAS, by Resolution No. 215 adopted June 6, 1966, the Board of Supervisors confirmed, ratified and approved, pursuant to the provisions of Section 266 of the County Law, a Schedule of Rates to be charged for water and water service to be provided by the Onondaga County Water District, as recommended by the Metropolitan Water Board, the administrative head for said District, which Schedule of Rates was thereafter amended by the following Resolutions: No. 158-1969, 163-1970, 614-1974, 625-1980, 172-1984, 187-1993, 105-2002, 230-2003, 261-2004, 245-2005, 288-2006, 289-2008, 249-2010, and 501-2011 and, as thus amended, such Schedule of Rates is currently in full force and effect; and

WHEREAS, said Metropolitan Water Board has advised by letter dated October 31, 2013, that it has adopted an amendment to said Schedule of Rates and Charges, as hereinafter more fully set forth, and requests confirmation of the proposed amendment in the manner required by law; and

WHEREAS, pursuant to Resolution No. 168-2013, a public hearing has been conducted this day in compliance with the rules for conducting such a hearing, as set forth in the Order of the Board of Supervisors, contained in Resolution No. 174, adopted May 2, 1966, to consider the amended Schedule of Rates, at which public hearing the Metropolitan Water Board appeared through its authorized representatives and offered testimony in support of the amended Schedule of Rates and all persons desiring to be heard on the subject were, in fact, heard; and

WHEREAS, the Onondaga County Legislature has given due consideration to the amended Schedule of Rates and the evidence and testimony submitted during the 2014 County Budget process, legislative program committees and at the public hearing, and now desires to confirm the action of the Metropolitan Water Board; now, therefore be it

RESOLVED, that the Onondaga County Legislature does hereby confirm, ratify, and approve, pursuant to the provisions of Section 266 of the County Law, the amendment of the currently effective Schedule of Rates to be Charged for Water and Water Service Provided by the Onondaga County Water District, as heretofore approved and adopted by the Metropolitan Water Board, administrative head for the Onondaga County Water District, on October 31, 2013, to the end that, effective January 1, 2014, the Schedule of Rates to be charged for water and water service provided by the Onondaga County Water District shall read as follows:

"All deliveries shall be made pursuant to contracts in writing between the customer and Onondaga County Water District and, except as otherwise provided in such contracts approved by the County Legislature, charges for water and water service shall be made in the manner following:

SCHEDULE NO. 1: For each Internal Customer, except the City of Syracuse, charges for water and water service will be made on a dual basis -- a commodity charge based on actual consumption as measured by the meter at the point of connection to the District system (meters to be read and customers to be billed monthly), plus a capacity charge based on peak demand placed by the customer on the District system; these charges shall be computed by applying to actual consumption the following rates:

COMMODITY CHARGE:	(per 1,000 gallons per month)
First 30,000,000 gallons	\$1.03
Next 80,000,000 gallons	\$1.02
Next 180,000,000 gallons	\$1.01
Over 290,000,000 gallons	\$1.00

CAPACITY CHARGE: \$3.85 per month per thousand gallons on the day of peak demand calculated by multiplying the average day during the prior year by a factor of 1.5. During the initial year of service the peak day will be adjusted monthly using cumulative daily average consumption and the 1.5 multiplier.

SCHEDULE NO. 2: For the City of Syracuse the charge for water and water service will be at the rate of \$1.23 per thousand gallons actually consumed as measured by the meter at the point of connection to the District system (meter to be read and bill to be rendered monthly); PROVIDED, however, that the City will pay a minimum annual charge (calendar year) of \$50,000 in equal monthly installments, for which the City may take 40,650,406 gallons of water in that year; for any water consumed in excess of this quantity during such year an additional charge will be made at the rate of \$1.23 per thousand gallons of excess.

SCHEDULE NO. 3: For each External Customer charges for water and water service will comprise the following monthly and annual charges:

a) A monthly charge for water actually delivered and sold, computed and payable in the manner prescribed in SCHEDULE NO. 1 for Internal Customers; PLUS b) An annual charge computed and payable in the manner prescribed in Article III, Section 3.4 (c) of the currently effective Rules and Regulations for the Operation of Onondaga County Water District.

The terms "Internal Customer" and "External Customer" shall apply to and comprise customers within the scope of these terms as defined in Article I, Section 1.9 and 1.10 of the currently effective Rules and Regulations for the Operation of Onondaga County Water District.

When a customer has more than one (1) connection to the District system, a meter will be installed at each point of connection and customer will be billed on a conjunctive basis."

and, be it further

RESOLVED, that, except as herein and hereby amended, the currently effective Schedule of Rates to be Charged for water and water service provided by the Onondaga County Water District, as heretofore confirmed, ratified, amended, and approved by action of this County Legislature shall remain in full force and effect.
