RESOLUTION NO. 236-2014 TO APPROVE THE CLASSIFICATION OF A TYPE I ACTION  
UNDER THE STATE ENVIRONMENTAL QUALITY REVIEW ACT; REAFFIRMING LEAD  
AGENCY STATUS; ACCEPTING THE ENVIRONMENTAL ASSESSMENT FORM; AND  
ACCEPTING AND ADOPTING THE NEGATIVE DECLARATION

WHEREAS, by Resolution No. 162-2016, this Onondaga County Legislature adopted an updated Solid Waste Management Plan (SWMP) for Onondaga County, prepared in accordance with the New York State Environmental Conservation Law; and

WHEREAS, the public had an opportunity to be heard on the proposed revisions, with a hearing held on December 16, 2014, and with comments accepted on a rolling basis throughout the duration of a public comment period; and

WHEREAS, the SWMP remains the same as was publicly presented, considered and adopted by this Onondaga County Legislature, where such is on file with the Clerk of this Legislature; and

WHEREAS, the New York State Department of Environmental Conservation (DEC) must review and finally approve Onondaga County's SWMP to determine whether it effectively addresses all matters required by 6 NYCRR 360-15.9, and a letter was issued by DEC indicating that the adopted plan constitutes an approvable plan; and

WHEREAS, Onondaga County conducted an analysis of the potential environmental impacts of the SWMP pursuant to the State Environmental Quality Review Act (SEQRA), finding that such action was an Unlisted Action, with a Negative Declaration, by adopting Resolution No. 236-2014; and

WHEREAS, before DEC will provide its final approval of Onondaga County's SWMP, it is now necessary to amend such resolution to provide for a revised finding, as the adopted SWMP should have been classified as a Type I, with a Negative Declaration, consistent with 6 NYCRR 617.4(b)(1), where "solid waste management plans" are included by DEC within the term "comprehensive resource management plan"; and

WHEREAS, the DEC will not give its final approval to the updated SWMP until and unless the proposed action is properly classified; and

WHEREAS, an approved and updated SWMP is required under State law and is needed in order to achieve conformance with and derive the benefits of meeting the State's goals of improving upon sustainable materials management through enhanced recycling and reuse; now, therefore be it

RESOLVED, that, in accordance with Resolution No. 236-2014, the County reaffirms its designation as the Lead Agency under SEQRA for the proposed action; and, be it further

RESOLVED, that the Environmental Assessment Form for this project has been prepared and reviewed and is on file with the Clerk of the Legislature, and that the County has now classified the proposed action as a Type I action pursuant to SEQRA, consistent with 6 NYCRR 617.4(b)(1); and, be it further

RESOLVED, that this Onondaga County Legislature does hereby accept and adopt the Negative Declaration for the proposed action, consistent with the findings made in Resolution No. 236-2014, having determined that such action will not have a significant effect on the environment; and, be it further

RESOLVED, that the Onondaga County Executive, or her designee, is authorized to take action to comply with the requirements of SEQRA, including without limitation, circulation of the proposed findings of no significant effect on the environment and corresponding negative declaration to other involved agencies, if any, the execution of documents and filing and publication of the same, and any other actions to implement the intent of this resolution; and, be it further

RESOLVED, that Resolution No. 236-2014 is amended to be consistent with the changes made within this resolution.

**A. Project and Sponsor Information.**

Name of Action or Project: Onondaga County Comprehensive Solid Waste Management Plan (CSWMP)		
Project Location (describe, and attach a general location map): Not site-specific. This is a local solid waste management plan for 33 of 35 municipalities within Onondaga County.		
Brief Description of Proposed Action (include purpose or need): The proposed action is a required update of Onondaga County's Comprehensive Solid Waste Management Plan (CSWMP). Onondaga County is the local solid waste management planning unit for 33 of 35 municipalities within the County. Like many other local planning units, Onondaga County developed its first CSWMP in the early 1990s. Since that time, the Onondaga County Resource Recovery Agency (OCRRA), a public benefit corporation, has implemented the County's CSWMP and Comprehensive Solid Waste Management System (CSWMS) on behalf of the County. The objective of the updated CSWMP is to chart the course for an economically, environmentally and socially sustainable CSWMP for the next 10-year planning period. While the County's CSWMP and the CSWMS implemented by OCRRA are already highly consistent with New York State and USEPA solid waste management hierarchy, the County's CSWMP update incorporates the State's most recent sustainable materials management goals, as outlined in the "Beyond Waste" Solid Waste Management Plan.

**PRINT FORM**

**Full Environmental Assessment Form**  
**Part 2 - Identification of Potential Project Impacts**

Agency Use Only [If applicable]  
 Project : Solid Waste Management Plan  
 Date : April 19, 2017

**Part 2 is to be completed by the lead agency.** Part 2 is designed to help the lead agency inventory all potential resources that could be affected by a proposed project or action. We recognize that the lead agency's reviewer(s) will not necessarily be environmental professionals. So, the questions are designed to walk a reviewer through the assessment process by providing a series of questions that can be answered using the information found in Part 1. To further assist the lead agency in completing Part 2, the form identifies the most relevant questions in Part 1 that will provide the information needed to answer the Part 2 question. When Part 2 is completed, the lead agency will have identified the relevant environmental areas that may be impacted by the proposed activity.

If the lead agency is a state agency **and** the action is in any Coastal Area, complete the Coastal Assessment Form before proceeding with this assessment.

**Tips for completing Part 2:**

- Review all of the information provided in Part 1.
- Review any application, maps, supporting materials and the Full EAF Workbook.
- Answer each of the 18 questions in Part 2.
- If you answer "Yes" to a numbered question, please complete all the questions that follow in that section.
- If you answer "No" to a numbered question, move on to the next numbered question.
- Check appropriate column to indicate the anticipated size of the impact.
- Proposed projects that would exceed a numeric threshold contained in a question should result in the reviewing agency checking the box "Moderate to large impact may occur."
- The reviewer is not expected to be an expert in environmental analysis.
- If you are not sure or undecided about the size of an impact, it may help to review the sub-questions for the general question and consult the workbook.
- When answering a question consider all components of the proposed activity, that is, the "whole action".
- Consider the possibility for long-term and cumulative impacts as well as direct impacts.
- Answer the question in a reasonable manner considering the scale and context of the project.

**Full Environmental Assessment Form**  
**Part 3 - Evaluation of the Magnitude and Importance of Project Impacts**  
**and**  
**Determination of Significance**

Part 3 provides the reasons in support of the determination of significance. The lead agency must complete Part 3 for every question in Part 2 where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.

Based on the analysis in Part 3, the lead agency must decide whether to require an environmental impact statement to further assess the proposed action or whether available information is sufficient for the lead agency to conclude that the proposed action will not have a significant adverse environmental impact. By completing the certification on the next page, the lead agency can complete its determination of significance.

**Reasons Supporting This Determination:**

To complete this section:

- Identify the impact based on the Part 2 responses and describe its magnitude. Magnitude considers factors such as severity, size or extent of an impact.
- Assess the importance of the impact. Importance relates to the geographic scope, duration, probability of the impact occurring, number of people affected by the impact and any additional environmental consequences if the impact were to occur.
- The assessment should take into consideration any design element or project changes.
- Repeat this process for each Part 2 question where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.
- Provide the reason(s) why the impact may, or will not, result in a significant adverse environmental impact
- For Conditional Negative Declarations identify the specific condition(s) imposed that will modify the proposed action so that no significant adverse environmental impacts will result.
- Attach additional sheets, as needed.

There are no adverse environmental impacts associated with the proposed action because the proposed action is an update of a previously approved Solid Waste Management Plan for Onondaga County. When a determination is made to pursue new or expanded existing solid waste management projects or activities considered within the plan, any such action will be evaluated pursuant to SEQRA to determine the extent to which a new or supplemental environmental review may be required. Therefore, Onondaga County issues this negative declaration for purposes of Article 8 of the Environmental Conservation Law because the proposed action is a Type I Action which will not result in any significant adverse environmental impacts.

**Determination of Significance - Type 1 and Unlisted Actions**

SEQR Status: ☒ Type 1 ☐ Unlisted

Identify portions of EAF completed for this Project: ☒ Part 1 ☒ Part 2 ☒ Part 3

Upon review of the information recorded on this EAF, as noted, plus this additional support information

and considering both the magnitude and importance of each identified potential impact, it is the conclusion of the  
County of Onondaga as lead agency that:

☒ A. This project will result in no significant adverse impacts on the environment, and, therefore, an environmental impact statement need not be prepared. Accordingly, this negative declaration is issued.

☐ B. Although this project could have a significant adverse impact on the environment, that impact will be avoided or substantially mitigated because of the following conditions which will be required by the lead agency:

There will, therefore, be no significant adverse impacts from the project as conditioned, and, therefore, this conditioned negative declaration is issued. A conditioned negative declaration may be used only for UNLISTED actions (see 6 NYCRR 617.d).

☐ C. This Project may result in one or more significant adverse impacts on the environment, and an environmental impact statement must be prepared to further assess the impact(s) and possible mitigation and to explore alternatives to avoid or reduce those impacts. Accordingly, this positive declaration is issued.

RESOLUTION NO. 92

APPROVING THE INCLUSION OF VIABLE AGRICULTURAL LAND WITHIN CERTIFIED  
AGRICULTURAL DISTRICTS PURSUANT TO SECTION 303-B OF THE NEW YORK STATE  
AGRICULTURE AND MARKETS LAW

WHEREAS, Section 303-b of Agriculture and Markets Law provides land owners with an annual thirty day period to submit requests for the inclusion of predominantly viable agricultural lands within certified agricultural districts; and

WHEREAS, pursuant to Resolution No. 71-2004, that thirty-day period began January 1, 2017, and ended January 30, 2017; and

WHEREAS, land owners have filed requests for inclusion of predominantly viable agricultural land within certified agricultural districts; and

WHEREAS, the County referred the requests to the Onondaga County Agriculture and Farmland Protection Board, and that Board has reviewed the requests and determined that such property consists predominantly of viable agricultural land and that the inclusion of such land would serve the public interest by assisting in maintaining a viable agricultural industry within the district; and

WHEREAS, a public hearing was held on Tuesday, June 6, 2017, at 12:58 p.m. relating to such requested inclusions; now, therefore be it

RESOLVED, that the proposed action is an Unlisted action and this Legislature shall act as the Lead Agency for the purposes of the New York State Environmental Quality Review Act (SEQRA); and, be it further

RESOLVED, that the Short Environmental Assessment Form for this project has been completed and reviewed and is on file with the Clerk of the Legislature; and, be it further

RESOLVED, that this Legislature hereby finds and declares a negative declaration under SEQRA in that there is no anticipated construction and no anticipated change in use, that the identified possible impacts, if any, on air quality and surface water quality will not be significant and there is little likelihood of significant adverse environmental impacts; and, be it further

RESOLVED, that based on the recommendation of the Agriculture and Farmland Protection Board and information provided through the public hearing, this Onondaga County Legislature hereby adopts and approves the inclusion of the requested viable agricultural land within certified Agricultural District No. 1, Agricultural District No. 3 and Agricultural District No. 4; and, be it further

LOCAL LAW NO. \_\_\_\_ - 2017

A LOCAL LAW AUTHORIZING THE EXTENSION OF A LEASE OF COUNTY PROPERTY  
KNOWN AS JAMES J. O'CONNOR FIELD LOCATED WITHIN THE CITY OF SYRACUSE TO THE  
SYRACUSE CHARGERS RUGBY CLUB, INC. FOR USE IN CONNECTION WITH RUGBY  
ACTIVITIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS  
FOLLOWS:

Section 1. Findings. Onondaga County owns real property containing facilities known as the James J. O'Connor Field, located at the intersection of Velasko and Onondaga Roads, within the City of Syracuse. The Syracuse Chargers Rugby Club, Inc. ("Chargers") presently has a lease to use such property, authorized by Local Law No. 16-2009, where such lease started on September 1, 2009, and expires on August 31, 2017. The property will continue to be used in connection with rugby activities, including the erection of permanent goal posts, the construction of a storage shed, the installation of Tenant's signage, and related parking needs. This local law authorizes an extension of such lease. The portion of the land to be leased is not currently needed for County purposes.

Section 2. Extension Authorized. The County Executive is authorized to enter into agreements and execute such other documents as may be necessary to extend the lease with the Chargers, with all present terms and conditions remaining in effect. The term of the extended lease shall be from September 1, 2017, through August 31, 2020, with the option of one 2-year renewal period, exercisable by the Chargers, subject to various rights of the County to terminate the lease. The Chargers shall pay the County rent at the rate of one hundred dollars (\$100.00) per year, together with the provision of an in-kind service, whereby the Chargers shall be required to conduct an annual Introduction to Rugby Program for City of Syracuse and County of Onondaga youth. Said lease shall provide that if any expense is required in connection with this lease, the Chargers shall provide for such expense. The environmental review required by the State Environmental Quality Review Act was conducted with the original lease, as stated within Local Law No. 16-2009, and the uses remain unchanged with the lease extension.

Section 3. Effective Date. This local law shall take effect upon filing, consistent with the provisions of the Municipal Home Rule Law, subject to a permissive referendum.

LOCAL LAW NO. \_\_\_\_ - 2017

A LOCAL LAW ESTABLISHING AN ANIMAL ABUSER REGISTRY AND PROHIBITING  
ANIMAL OWNERSHIP BY ANIMAL ABUSE OFFENDERS WITHIN ONONDAGA COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY AS FOLLOWS:

Section 1. Findings/Purpose.

Animal cruelty is a serious problem, and many animals are abused each year. The State of New York has criminalized the cruel treatment of animals. However, notwithstanding the criminalization of such actions, animal abuse and cruelty continues to occur in Onondaga County and throughout New York State. The recidivism rate is believed to be high with this type of crime.

To reduce opportunities for the commission of repeat offenses against animals, the Onondaga County Legislature adopts this local law and establishes a registry, identifying individuals residing in Onondaga County convicted of animal abuse crimes. Further, this local law prohibits such individuals from owning animals.

Section 2. Definitions.

As used in this local law, the following terms shall have the meanings indicated:

"Animal Abuse Crime" - Any of the following crimes listed in subsections (a) through (e):

- (a) A Violation of any of the following provisions of the NYS Agriculture Markets Law (AML) Article 26:

- Section 351 - Prohibition of animal fighting
- Section 353 - Torturing and injuring animals; failure to provide proper sustenance
- Section 353 - A - Aggravated cruelty to animals
- Section 355 - Abandonment of animals
- Section 356 - Failure to provide proper food and drink to impounded animals
- Section 359 - Carrying animal in a cruel manner
- Section 360 - Poisoning or attempting to poison animals
- Section 361 - Interference with or injury to certain domestic animals
- Section 362 - Throwing substance injurious to animals in public place
- Section 365 - Clipping or cutting the ears of dogs
- Section 366 - Companion animal stealing
- Section 366 - A - Removing, seizing or transporting dogs for research purposes

- (b) Sexual misconduct with an animal in violation of NYS Penal Law (PL) §130.20(a)
- (c) Harming a service animal in violation of PL §242.10 and PL §242.15
- (d) Killing or injuring a police animal in violation of PL §195.06
- (e) Harming an animal trained to aid a person with a disability in violation of PL §195.12

"Animal" - Any living mammal (except a human being), bird, reptile, amphibian or fish.

"Animal Abuse Offender" - Any person eighteen (18) years of age or older, residing within Onondaga County, and convicted of an Animal Abuse Crime, except youthful offenders with convictions contained within sealed records.

"Animal Abuser Registry" - The online registry established by this Local Law for registering any person residing in Onondaga County convicted of an Animal Abuse Crime.

"Animal Shelter" - Any public or privately owned organization including, but not limited to, any duly incorporated humane society, pound, animal protective association or animal rescue group which maintains buildings, structures or other property for the purpose of harboring animals which may be stray, unwanted, lost, abandoned or abused and seeks to find appropriate temporary or permanent homes for such animals.

"Conviction" - An adjudication of guilt by any court of competent jurisdiction, whether upon verdict after trial or upon plea of guilty or nolo contendere.

"Pet Seller" - Any individual, person, partnership, firm, corporation, or other entity which regularly offers animals for sale or is otherwise routinely engaged in the business of selling, exchanging, or otherwise transferring ownership of animals.

### Section 3. Establishing an Animal Abuser Registry.

The Onondaga County Sheriff, or such officer's designee, is hereby directed to create, manage, and maintain an Animal Abuser Registry, containing the names and residence information of registered Animal Abuse Offenders living in Onondaga County.

The Onondaga County Sheriff's Office shall have a link to the Animal Abuser Registry on the Onondaga County Sheriff's Office webpage, together with links to other county Animal Abuser Registries that are available in the state of New York, updated from time to time. Such other county registries may be used as informational resources by Animal Shelters and Pet Sellers.

The information maintained in the Animal Abuser Registry shall be maintained on an open website of the County. Further, this should be used for the limited purpose of determining whether such person is prohibited from owning an animal under this local law.

The Animal Abuser Registry shall contain the required information about each Animal Abuse Offender for a period of fifteen (15) years following his or her release from incarceration or, if not incarcerated, from the date of the judgment of conviction.

Any currently or previously registered Animal Abuse Offender convicted of a subsequent Animal Abuse Crime shall be placed on the Animal Abuser Registry for life following the second conviction.

Upon notification to the Onondaga County Sheriff's Office of a successful appeal of a conviction of an Animal Abuse Crime by an individual that has been required to register pursuant to this local law, the registration information for that individual shall be removed from the Onondaga County Animal Abuser Registry within five (5) business days following the notification.

### Section 4. Registration Requirements.

- (a) All Animal Abuse Offenders must register with the Animal Abuser Registry within five (5) business days of their release from incarceration or, if not incarcerated, from the date of the conviction.

Further, in the event that an Animal Abuse Offender establishes residence within Onondaga County within fifteen (15) years of the conviction or release from incarceration, such person must register with the Animal Abuser Registry within five (5) days of such residence being so established.

- (b) When a person is convicted of an Animal Abuse Crime, the prosecuting agency shall forward to the Onondaga County Sheriff's Office the name and residence address of the Animal Abuse Offender, together with the specific Animal Abuse Crime of which such person was convicted, thereby notifying the Onondaga County Sheriff's Office that such person is an Animal Abuse Offender and required to register with the Animal Abuser Registry.
- (c) Each Animal Abuse Offender shall personally appear before the Onondaga County Sheriff's Office and submit proof of the following:
  - i) such person's name and any aliases by which such person may be known;
  - ii) such person's residence address;
  - iii) such person's date of birth; and
  - iv) a description of the offense for which such person was convicted, the date of conviction, and the sentence imposed.
- (d) The Onondaga County Sheriff's Office shall photograph the front of the Animal Abuse Offender's head and shoulders.
- (e) Every person required to register with the Animal Abuser Registry shall update the registry information within five (5) days of any change of residential address and/or upon any official change of name. The obligation to provide such updates continues throughout the entire period in which such person is required to be registered.
- (f) Every person required to register with the Animal Abuser Registry shall pay a one-time fee of one hundred twenty-five dollars (\$125) to the Onondaga County Sheriff's Office at the time of registration. All such fees shall be used to help pay the administrative and maintenance costs of maintaining the Animal Abuser Registry.
- (g) Any person who may be required to register may petition the sentencing court for relief from such requirements, and the court may, in its discretion and upon good cause, grant such relief.

#### Section 5. Prohibition against Animal Ownership for Animal Abuse Offenders.

Animal Abuse Offenders are prohibited from owning animals within Onondaga County, where such ownership includes having animals within or about the person's residence or otherwise under the care, custody, or control of such person.

No Animal Shelter or Pet Seller shall sell, exchange or otherwise transfer the ownership of any animal to any known Animal Abuse Offender, including those on the Animal Abuser Registry.

Prior to the sale, exchange or other transfer of ownership of any animal, each Animal Shelter or Pet Seller shall examine the Animal Abuser Registry to confirm that the potential owner of such animal is not listed as an Animal Abuse Offender.

Section 6. Penalties.

- (a) Any Animal Abuse Offender required to register with the Animal Abuser Registry who fails to so register shall be guilty of a misdemeanor punishable by incarceration for a period of not more than one (1) year and/or a fine not to exceed two thousand dollars (\$2,000).
- (b) Any Animal Abuse Offender who violates the prohibition against owning an animal shall be guilty of a misdemeanor punishable by incarceration for a period of not more than one (1) year and/or a fine not to exceed five thousand dollars (\$5,000).

It shall not be a violation of this local law if an Animal Abuse Offender owns an animal used as a service animal by such person or a person residing at the same address as the Animal Abuse Offender, where service animal is to be defined in a manner consistent with federal or state law for persons with disabilities.

- (c) Any Animal Shelter or Pet Seller who knowingly violates the prohibition against selling, exchanging, or otherwise transferring the ownership of any animal to any Animal Abuse Offender shall be guilty of a violation and subject to a fine not to exceed five thousand dollars (\$5,000).

It shall not be a violation of this local law if the Animal Shelter or Pet Seller queried the Animal Abuser Registry and the name did not appear therein.

Further, it shall not be a violation of this local law if an Animal Shelter or Pet Seller sold an animal to a person requiring a service animal, where service animal is to be defined in a manner consistent with federal or state law for persons with disabilities.

Section 7. Rules and Regulations.
