Section 3. It is hereby determined that the period of probable usefulness of such specific object or purpose, including the engineering costs, is forty years pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law, measured from the date of the first obligations issued therefor.

Section 4. The faith and credit of said County of Onondaga, New York, are hereby irrevocable pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. There shall annually be assessed upon the taxable real property in said Sanitary District in the manner provided by law an amount sufficient to pay said principal and interest as the same become due and payable, but if not paid from such source, all the taxable real property within said County shall be subject to the levy of ad valorem taxes, subject to applicable statutory limitations, sufficient to pay the principal of and interest on said bonds.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
