Fire Advisory Board -Fire District Representative

QUALIFICATIONS SUMMARY

- Organizing and handling the day to day operations of the Fire District office on behalf of the Chief and the Board of Fire Commissioners: including purchasing, human resources, record keeping and various other duties. Assist with the planning for the annual budget, elections and audits.
- Goal oriented, self-motivated leader who strives to overcome obstacles to reach desired goals and results, doing so by creating a team atmosphere where each member has an important role that allows every team member to focus on their strengths and improve weaknesses.
- Management Professional with 5+ years of experience in developing and implementing corporate, merchandising, and operations strategies; interviewing, training, motivating, and evaluating personnel to attain goals and increase productivity; building customer relations; and achieving financial goals.

ACCOMPLISHMENTS

- Gained experience by servicing at various positions within the volunteer fire service from department support member to firefighter to fire district secretary to fire district association officer. This has allowed me to establish relationships within various fire service organizations and gain an understanding of the fire service from different perspectives.
- Built relationships with accounts to grow the business and increase referrals. Worked with management to provide world class customer service to our accounts.
- Coordinated with the district manager to develop and train sales teams and area managers to fulfill the staffing needs of the district; implemented a training program for all full and part-time sales associates; identified associates who were candidates for promotion to shift or assistant manager.

<u>Public Comment on Proposed Local Law to Clarify Restrictions for Full-time Elected</u> Officials

September 5, 2017

By Marguerite A Ross, Concerned Citizen, Village of Fayetteville, Town of Manlius, County of Onondaga

I respectfully urge the Onondaga County Legislature to reject the local law proposed by Joanie Mahoney, (Local Law A), since it would not achieve its intended purpose, and it is not evenhanded.

Mr. Burtis is to be commended for introducing a far superior version of this proposed local law (Local Law B), which would achieve its intended purpose in an even-handed fashion. In my view, however, several changes ought to be made in proposed local law B prior to its passage.

The stated purpose of the proposed local law is to clarify certain of the County Charter's provisions so that the intent of these provisions as historically interpreted will be honored going forward. Naturally, that intent needs to be articulated as a basis of assessing the proposed local law.

As I take it, the intent of the County Charter can be laid out as follows:

We the people of Onondaga County entrust high County offices to candidates whom we determine will best serve our common interests. Once elected, such officials work for us and are compensated for their services with our tax dollars. If we pay them full-time salaries, as we do for the top five elected officials, then we are entitled to receive their exclusive services full-time. Their loyalty to us and our common interests must be undivided, so that they are barred from holding any other public or private positions, whether paid or volunteer, in which they work for the benefit of any individuals or organizations besides the citizens of Onondaga County and our government.

LEGISLATURE CHAMBERS

ONONDAGA COUNTY, N.Y.

Presented By: Chairman J. Ryan McMahon, II and Legislator Kevin Holmquist

The above named members of the County Legislature of Onondaga County, New York, on the 5th day of September 2017, wish to:

RECOGNIZE AND HONOR BROOKE AND HEIDI MENIKHEIM OF SENECA STREET BREW PUB FOR THEIR AWARD WINNING BEER

WHEREAS, the brewing industry in New York is growing at a steady rate, in fact, New York State is now home to more than 320 breweries; and

WHEREAS, in August of 2017, the first-ever Governor's Excelsior Cup was held in Rochester as the inaugural New York Craft Beer Competition; and

WHEREAS, a panel of 50 expert judges tasted 707 beers from 143 New York breweries in 20 different categories; and

WHEREAS, among 39 entries in the Amber/Red Ale category, Seneca Street Brew Pub in Manlius took the gold medal with their Irish Red Ale, the only gold medal awarded to an Onondaga County brewery; and

WHEREAS, Seneca Street Brew Pub opened in Manlius in 2016, brewer, Brooke Menikheim, has been brewing for only two years and was up against brewers that have been in the business for decades; and

WHEREAS, Brooke and Heidi Menikheim pride themselves on using New York ingredients, including growing their own hops and barley at two farms, as well as owning and operating Seneca Street Brew Pub and Erie Canal Brewing as a family business that has already achieved award-winning success; now, therefore be it

RESOLVED, that Chairman McMahon, Legislator Holmquist, and all members of the Onondaga County Legislature, do hereby recognize and honor Brooke and Heidi Menikheim of Seneca Street Brew Pub for their award winning beer.

I hereby certify that the foregoing was duly noted by the County Legislature of Onondaga County, New York. Witness my hand and seal of said Legislature.

AUTHORIZING THE COUNTY EXECUTIVE TO ENTER INTO A CONTRACT WITH THE UNITED STATES DEPARTMENT OF THE INTERIOR FOR THE OPERATION AND MAINTENANCE OF STREAM GAGING STATIONS IN THE COUNTY OF ONONDAGA

WHEREAS, the United States Department of the Interior has agreed to operate and maintain eight (8) gaging stations in the County of Onondaga and an agreement for such purpose is authorized herein; now, therefore be it

RESOLVED, that the County Executive hereby is authorized to enter into an agreement with the United States of America, Department of the Interior, for the operation and maintenance of eight (8) gaging stations, where such services shall be conducted for a one-year period, commencing October 1, 2017, and terminating September 30, 2018, for a total sum of up to \$115,110, of which amount Onondaga County is to contribute an amount not to exceed \$74,830 and the United States Department of the Interior is to contribute \$40,280, which amounts are deemed by this Legislature to be fair and reasonable for such services.

AUTHORIZING THE ACQUISITION OF A PORTION OF A TWENTY-FOUR INCH FORCE MAIN FROM HONEYWELL INTERNATIONAL, INC.

WHEREAS, the Commissioner of Water Environment Protection of Onondaga County, pursuant to the Onondaga County Administrative Code, has prepared and submitted to said County Legislature, a report dated June 27, 2017 (the "Report"), duly approved by the County Executive, in connection with proposed improvements for the Onondaga County Sanitary District consisting of taking ownership and maintenance of a portion of the twenty-four inch Waste bed Overflow Pond Discharge Pipeline, extending from a location proximate to the Westside Pumping Station to the terminus at the Metropolitan Syracuse Wastewater Treatment Plant (the "Force Main Segment"), which is owned and controlled by Honeywell International, Inc. ("Honeywell") (Resolution No. 66 – 2004), and located in the County of Onondaga and State of New York, where such acquisition will address wet weather capacity issues; and

WHEREAS, this County Legislature duly adopted a resolution on August 1, 2017, calling a public hearing on the foregoing matter to be held in the Legislative Chambers in the County Court House, in Syracuse, New York on the 5th day of September, 2017, at 12:58 P.M., prevailing time; and

WHEREAS, said public hearing was duly held at the time and place aforesaid, at which all persons interested were heard; and

WHEREAS, this County Legislature has given due consideration to the aforesaid Report and the evidence given at said public hearing; now, therefore be it

RESOLVED, by the County Legislature of the County of Onondaga, New York, as follows:

Section 1. Based upon the proceedings heretofore had and taken, it is hereby found and determined that it is necessary and in the public interest to take ownership and maintain the Force Main Segment for the purpose of improving wet weather capacity in this constrained service area.

Section 2. A certified copy of this resolution shall be recorded in the office of the County Clerk and when so recorded shall be presumptive evidence of the regularity of the determinations herein contained. The Clerk of the County Legislature is hereby authorized and directed to cause a notice of such recording to be published once in the official newspaper of said County in the manner provided by law.

RESOLVED, that the acceptance of the Force Main Segment is to be realized through execution of an operating agreement with Honeywell, providing for, inter alia, Honeywell's continued use of the Force Main Segment for its permitted discharges, the Sanitary District's use and maintenance of the Force Main Segment to address wet weather capacity issues and related improvements to the Westside Pumping Station; and, be it further

RESOLVED, that the discretionary acceptance of additional pre-treated discharges in accordance with a duly issued Industrial Wastewater Discharge Permit(s) pursuant to said operating agreement with Honeywell constitutes an unlisted action, determined after an analysis of the potential environmental impacts under the State Environmental Quality Review Act (SEQRA). A Short Environmental Assessment Form has been completed and reviewed and is on file with the Clerk of this Legislature. This Legislature further finds and declares a negative declaration under SEQRA, where the proposed action will not have a significant effect on the environment.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Pursuant to a proposed agreement with an Industrial User, Onondaga County will accept pretreated discharges originating from a remedial site (Wastebeds 1-8) at its Metro facility, reacquire a segment of a force main located along the western shores of Onondaga Lake in order to help increase needed wet weather conveyance capacity in this service area, and be reimbursed for the expense of designing a potable water connection under I-690 to the Westside Pumpstation. The potable water line design and acquisition of the force main segment are components of the current Westside Pumpstation Upgrades project and, therefore, were already the subject of a SEQRA review. The acceptance of discharges is provided for in the proposed agreement with the Industrial User, but is unrelated to the Westside Pumpstation Upgrades project. Having considered this action and thoroughly analyzing potential relevant areas of environmental concerns, Onondaga County hereby issues this negative declaration for purposes of Article 8 of the Environmental Conservation Law because the aforementioned action is an Unlisted Action which will not result in any significant adverse environmental impacts. By accepting the proposed discharges, Onondaga County will help further the remedy and avoid the potential for additional direct discharges to the Lake. Further, Metro has sufficient capacity to handle theses flows and the Industrial User will have to pay all applicable standard charges and comply with the County's Industrial Pretreatment Standards and the terms of a duly issued IWDP.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required. Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

AUTHORIZING EXECUTION OF AGREEMENTS WITH THE CITY, TOWNS AND VILLAGES OF ONONDAGA COUNTY FOR OPERATION OF YOUTH PROGRAMS

WHEREAS, the Syracuse/Onondaga County Youth Bureau has applied for and received state funding for Youth Development Program pursuant to Executive Law Section 422, whereby the NYS Office of Children and Family Services makes funding available to county youth bureaus for allocation and distribution as a pass-through agency to fund youth programs operated by private not-for-profit and municipal corporations within such county; and

WHEREAS, the programs to be funded with this state funding are listed in a document on file with the Clerk of this Legislature, and it is necessary to authorize the execution of agreements with the several municipal corporations listed therein to provide youth program services with funding at prior years' levels; now, therefore be it

RESOLVED, that this Legislature hereby authorizes the execution of agreements with the municipalities listed on the document on file with the Clerk of this Legislature and such other documents as may implement the intent of this resolution.

120 RESOLUTION NO.

Motion Made By Mr. Ryan, Mrs. Ervin, Ms. Williams, Mr. Dougherty, Dr. Chase

SUPPORT OF STIPULATION AND ORDER PERTAINING TO YOUTHS INCARCERATED AT THE ONONDAGA COUNTY JUSTICE CENTER

WHEREAS, a class of juvenile Plaintiffs (collectively, the "Plaintiffs"), filed a complaint in the United States District Court of the Northern District of New York alleging Constitutional deprivations of youths by the Onondaga County Sheriff and its employees (hereinafter the "Onondaga County Sheriff") at the Onondaga County Justice Center; and

WHEREAS, the Plaintiffs and the Onondaga County Sheriff engaged in extensive, good faith, negotiations to enter into a voluntary Stipulation and Order for a Final Settlement Agreement (hereinafter, the "Settlement Agreement") pertaining to future segregation, discipline, education and behavioral management practices for juveniles incarcerated at the Onondaga County Justice Center; and

WHEREAS, after a Fairness Hearing, the Northern District of New York approved the Settlement Agreement in August 2017, finding the agreement fair, reasonable and adequate; and

WHEREAS, previously, various forms of discipline were used with youths between the ages of 16 and 17 being held at the Justice Center for security and safety purposes, which discipline included isolation and segregation under methods identified as "lock in", "administrative segregation", and "punitive segregation" defined by Plaintiffs and the Onondaga County Sheriff's Office in the Settlement Agreement; and

WHEREAS, the Settlement Agreement prohibits the use of punitive solitary confinement of youths held at the Justice Center, redefines behavioral management practices, improves access to mental health and educational resources, establishes a Youth Coalition Team, and provides specific reporting and monitoring requirements; and

WHEREAS, the Settlement Agreement limits cell confinement for disciplinary purposes to instances where the juvenile poses an imminent threat to the safety and security of the facility and use of less restrictive measures will not adequately address the threat; and

WHEREAS, this County Legislature believes persons confined to Onondaga County facilities are to be treated in a manner consistent with the United States Constitution, and all other laws, rules and regulations; now, therefore be it

RESOLVED, that this County Legislature stands in support of the Settlement Agreement which provides for the treatment of youths incarcerated at the Justice Center, while preserving the safety and security of the facility; and that the terms of the Settlement Agreement shall be applied to all County Correctional and detention facilities which hold juveniles; and

RESOLVED, that this County Legislature commends the Plaintiffs and the Onondaga County Sheriff for the results of their good faith efforts to improve treatment of incarcerated youths in Onondaga County; and

RESOLVED, that the Clerk is hereby directed to cause a copy of this resolution to be transmitted to the Sheriff, to the County Executive, the Commissioner of Corrections, the Jail Oversight Committee and the Human Rights Commission.

REFUNDING BOND RESOLUTION DATED SEPTEMBER 5, 2017

A RESOLUTION AUTHORIZING THE ISSUANCE PURSUANT TO SECTION 90.10 OF THE LOCAL FINANCE LAW OF REFUNDING BONDS OF THE COUNTY OF ONONDAGA, NEW YORK, TO BE DESIGNATED SUBSTANTIALLY "PUBLIC IMPROVEMENT REFUNDING (SERIAL) BONDS", AND PROVIDING FOR OTHER MATTERS IN RELATION THERETO AND THE PAYMENT OF THE BONDS TO BE REFUNDED THEREBY

WHEREAS, the County of Onondaga, New York (hereinafter, the "County") heretofore issued \$67,870,000 General Obligation (Serial) Bonds, 2013 pursuant to a bond determination certificate dated June 28, 2013 (the "2013 Bond Certificate") to finance the cost of various purposes in and for said County as further described in the 2013 Bond Certificate, such General Obligation (Serial) Bonds, 2013, being dated June 28, 2013 with remaining maturities on May 1 in each of the years 2018 through 2033, both inclusive (the "Refunded Bonds"); and

WHEREAS, it would be in the public interest to refund all or a portion of the remaining outstanding callable principal balance of the Refunded Bonds by the issuance of refunding bonds pursuant to Section 90.10 of the Local Finance Law; and

WHEREAS, such refunding will only be undertaken if it results in present value savings in debt service as required by Section 90.10 of the Local Finance Law; now, therefore be it

RESOLVED, by the County Legislature of the County of Onondaga, New York, as follows:

Section 1. For the object or purpose of refunding the outstanding callable principal balance of the Refunded Bonds as more fully set forth in the Refunding Financial Plan (hereinafter defined), including providing moneys which, together with the interest earned from the investment of certain of the proceeds of the refunding bonds herein authorized, shall be sufficient to pay (i) the principal amount of such Refunded Bonds, (ii) the aggregate amount of unmatured interest payable on such Refunded Bonds to and including the date on which the Refunded Bonds which are callable are to be called prior to their respective maturities in accordance with the refunding financial plan, as hereinafter defined, (iii) the costs and expenses incidental to the issuance of the refunding bonds herein authorized, including the development of the refunding financial plan, as hereinafter defined, costs and expenses of executing and performing the terms and conditions of the escrow contract or contracts, as hereinafter defined, and fees and charges of the escrow holder or holders, as hereinafter mentioned, (iv) the premium or premiums for a policy or policies of municipal bond insurance or cost or costs of other credit enhancement facility or facilities, for the refunding bonds herein authorized, or any portion thereof, there are hereby authorized to be issued not exceeding \$40,700,000 refunding serial bonds of the County pursuant to the provisions of Section 90.10 of the Local Finance Law (the "Refunding Bonds"), it being anticipated that the amount of Refunding Bonds actually to be issued will be approximately \$34,755,000, as provided in Section 4 hereof. The Refunding Bonds shall each be designated substantially "PUBLIC IMPROVEMENT REFUNDING (SERIAL) BOND" together with such series designation and year as is appropriate on the date of sale thereof, shall be of the denomination of \$5,000 or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity, shall be numbered with the prefix R-17 (or R with the last two digits of the year in which the Refunding Bonds are issued as appropriate) followed by a dash and then from 1 upward, shall be dated on such dates, and shall mature annually on such dates in such years, bearing interest semi-annually on such dates, at the rate or rates of interest per annum, as may be necessary to sell the same, all as shall be determined by the Chief Fiscal Officer pursuant to Section 4 hereof. It is hereby further determined that (a) such Refunding Bonds may be issued in series, (b) such Refunding Bonds may be sold at a discount in the manner authorized by paragraph a of Section 57.00 of the Local Finance Law pursuant to subdivision 2 of paragraph f of Section 90.10 of the Local Finance Law, and (c) such Refunding Bonds may be issued as a single consolidated issue. It is hereby further determined that such Refunding Bonds may be issued to refund all, or any portion of, the Refunded Bonds, subject to approval by the State Comptroller.

Section 2. The Refunding Bonds may be subject to redemption prior to maturity upon such terms as the Chief Fiscal Officer shall prescribe, which terms shall be in compliance with the requirements of Section 53.00 (b) of the Local Finance Law. If less than all of the Refunding Bonds of any maturity are to be redeemed, the particular refunding bonds of such maturity to be redeemed shall be selected by the County by lot in any customary manner of selection as determined by the Chief Fiscal Officer. Notice of such call for redemption shall be given by providing notice to the registered owners not less than thirty (30) days prior to such date. Notice of redemption having been given as aforesaid, the bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable, together with interest to such redemption date, and interest shall cease to be paid thereon after such redemption date.

The Refunding Bonds shall be issued in registered form and shall not be registrable to bearer or convertible into bearer coupon form. When issued, the Refunding Bonds shall be initially issued in denominations such that one bond shall be issued for each maturity of bonds and shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the bonds in accordance with the Book-Entry-Only system of DTC. In the event that either DTC shall discontinue the Book-Entry-Only system or the County shall terminate its participation in such Book-Entry-Only system, such bonds shall thereafter be issued in certificated form of the denomination of \$5,000 each or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity. Principal of and interest on the bonds shall be payable to DTC, or to its nominee, Cede & Co., while the bonds are registered in the name of Cede & Co. in accordance with such Book-Entry-Only System. Principal shall only be payable upon surrender of the bonds at the principal corporate trust office of the Chief Fiscal Officer.

In the event said Refunding Bonds are issued in non-book entry form, principal of and interest on the Refunding Bonds shall be payable by check or draft mailed by the Fiscal Agent (as hereinafter defined) to the registered owners of the Refunding Bonds as shown on the registration books of the County maintained by the Fiscal Agent (as hereinafter defined), as of the close of business on the fifteenth day of the calendar month or first business day of the calendar month preceding each interest payment date as appropriate and as provided in a certificate of the Chief Fiscal Officer providing for the details of the Refunding Bonds. Principal shall only be payable upon surrender of bonds at the principal corporate trust office of a bank or trust company or banks or trust companies located or authorized to do business in the State of New York, as shall hereafter be designated by the Chief Fiscal Officer as fiscal agent of the County for the Refunding Bonds (collectively the "Fiscal Agent").

Principal and interest on the Refunding Bonds will be payable in lawful money of the United States of America.

The Chief Fiscal Officer is hereby authorized to enter into an agreement or agreements containing such terms and conditions as he shall deem proper with the Fiscal Agent, for the purpose of having such bank or trust company or banks or trust companies act, in connection with the Refunding Bonds, as the Fiscal Agent for said County, to perform the services described in Section 70.00 of the Local Finance Law,

and to execute such agreement or agreements on behalf of the County, regardless of whether the Refunding Bonds are initially issued in certificated or non-certificated form.

The Chief Fiscal Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for said Refunding Bonds, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

The Refunding Bonds shall be executed in the name of the County by the manual signature of the Chief Fiscal Officer, and its corporate seal shall be imprinted thereon. The Refunding Bonds shall contain the recital required by subdivision 4 of paragraph j of Section 90.10 of the Local Finance Law and the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Chief Fiscal Officer shall determine. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of the Refunding Bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the Fiscal Agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the Fiscal Agent.

Section 3. It is hereby determined that:

- (a) the maximum amount of the Refunding Bonds authorized to be issued pursuant to this resolution does not exceed the limitation imposed by subdivision 1 of paragraph b of Section 90.10 of the Local Finance Law;
- (b) the maximum period of probable usefulness permitted by law at the time of the issuance of the Refunded Bonds for each object or purpose for which such Refunded Bonds were issued is as specified the 2103 Bond Certificate which is incorporated herein by reference;
- (c) the last installment of the Refunding Bonds will mature not later than the expiration of the respective period of probable usefulness of the objects or purposes for which said Refunded Bonds were issued in accordance with the provisions of subdivision 1 of paragraph c of Section 90.10 of the Local Finance Law.
- (d) the estimated present value of the total debt service savings anticipated as a result of the issuance of the Refunding Bonds, computed in accordance with the provisions of subdivision 2 of paragraph b of Section 90.10 of the Local Finance Law, with regard to the Refunded Bonds is as shown in the Refunding Financial Plan described in Section 4 hereof.
- Section 4. The financial plan for the refunding authorized by this resolution (the "Refunding Financial Plan"), showing the sources and amounts of all moneys required to accomplish such refunding, the estimated present value of the total debt service savings and the basis for the computation of the aforesaid estimated present value of total debt service savings, are set forth in Exhibit A attached hereto and made a part of this resolution. The Refunding Financial Plan has been prepared based upon the assumption that the Refunding Bonds will be issued in one series, and that the Refunding Bonds will mature, be of such terms, and bear interest as set forth on Exhibit A attached hereto and made a part of this resolution. This County Legislature recognizes that the Refunding Bonds may be issued in one or more series, and for only portions thereof, that the amount of the Refunding Bonds, maturities, terms, and interest rate or rates borne by the Refunding Bonds to be issued by the County will most probably be different from such assumptions and that the Refunding Financial Plan will also most probably be different from that

attached hereto as Exhibit A. The Chief Fiscal Officer is hereby authorized and directed to determine the amount of the Refunding Bonds to be issued, the date or dates of such bonds and the date or dates of issue, maturities and terms thereof, the provisions relating to the redemption of Refunding Bonds prior to maturity, whether the Refunding Bonds will be insured by a policy or policies of municipal bond insurance or otherwise enhanced by a credit enhancement facility or facilities, whether the Refunding Bonds shall be sold at a discount in the manner authorized by paragraph e of Section 57.00 of the Local Finance Law, and the rate or rates of interest to be borne thereby, whether the Refunding Bonds shall be issued having substantially level or declining annual debt service and all matters related thereto, and to prepare, or cause to be provided, a final Refunding Financial Plan for the Refunding Bonds and all powers in connection therewith are hereby delegated to the Chief Fiscal Officer; provided, that the terms of the Refunding Bonds to be issued, including the rate or rates of interest borne thereby, shall comply with the requirements of Section 90.10 of the Local Finance Law. The Chief Fiscal Officer shall file a copy of his certificate determining the details of the Refunding Bonds and the final Refunding Financial Plan with the Clerk of the County Legislature not later than ten (10) days after the delivery of the Refunding Bonds, as herein provided.

- Section 5. The Chief Fiscal Officer is hereby authorized and directed to enter into an escrow contract or contracts (collectively the "Escrow Contract") with a bank or trust company, or with banks or trust companies, located and authorized to do business in this State as said Chief Fiscal Officer shall designate (collectively the "Escrow Holder") for the purpose of having the Escrow Holder act, in connection with the Refunding Bonds, as the escrow holder to perform the services described in Section 90.10 of the Local Finance Law.
- Section 6. The faith and credit of said County of Onondaga, New York, are hereby irrevocably pledged to the payment of the principal of and interest on the Refunding Bonds as the same become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall be annually levied on all the taxable real property in said County a tax sufficient to pay the principal of and interest on such Refunding Bonds as the same become due and payable.
- Section 7. All of the proceeds from the sale of the Refunding Bonds, including the premium, if any, but excluding accrued interest thereon, shall immediately upon receipt thereof be placed in escrow with the Escrow Holder for the Refunded Bonds. Accrued interest on the Refunding Bonds shall be paid to the County to be expended to pay interest on the Refunding Bonds. Such proceeds as are deposited in the escrow deposit fund to be created and established pursuant to the Escrow Contract, whether in the form of cash or investments, or both, inclusive of any interest earned from the investment thereof, shall be irrevocably committed and pledged to the payment of the principal of and interest on the Refunded Bonds in accordance with Section 90.10 of the Local Finance Law, and the holders, from time to time, of the Refunded Bonds shall have a lien upon such moneys held by the Escrow Holder. Such pledge and lien shall become valid and binding upon the issuance of the Refunding Bonds and the moneys and investments held by the Escrow Holder for the Refunded Bonds in the escrow deposit fund shall immediately be subject thereto without any further act. Such pledge and lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the County irrespective of whether such parties have notice thereof.
- Section 8. Notwithstanding any other provision of this resolution, so long as any of the Refunding Bonds shall be outstanding, the County shall not use, or permit the use of, any proceeds from the sale of the Refunding Bonds in any manner which would cause the Refunding Bonds to be an "arbitrage bond" as defined in Section 148 of the Internal Revenue Code of 1986, as amended, and, to the extent applicable, the Regulations promulgated by the United States Treasury Department thereunder.

- Section 9. In accordance with the provisions of Section 53.00 and of paragraph h of Section 90.10 of the Local Finance Law, in the event such bonds are refunded, the County hereby elects to call in and redeem each Refunded Bond which the Chief Fiscal Officer shall determine to be refunded at the earliest call date available. The sum to be paid therefor on such redemption date shall be the par value thereof plus the redemption premium, if any, as provided in the Refunded Bond Certificate, and the accrued interest to such redemption date. The Escrow Agent for the Refunding Bonds is hereby authorized and directed to cause notice of such call for redemption to be given in the name of the County in the manner and within the times provided in the Refunded Bond Certificate. Such notice of redemption shall be in substantially the form attached to the Escrow Contract. Upon the issuance of the Refunding Bonds, the election to call in and redeem the callable Refunded Bonds and the direction to the Escrow Agent to cause notice thereof to be given as provided in this paragraph shall become irrevocable, provided that this paragraph may be amended from time to time as may be necessary in order to comply with the publication requirements of paragraph a of Section 53.00 of the Local Finance Law, or any successor law thereto.
- Section 10. The Chief Fiscal Officer and all other officers, employees and agents of the County are hereby authorized and directed for and on behalf of the County to execute and deliver all certificates and other documents, perform all acts and do all things required or contemplated to be executed, performed or done by this resolution or any document or agreement approved hereby.
- Section 11. All other matters pertaining to the terms and issuance of the Refunding Bonds shall be determined by the Chief Fiscal Officer and all powers in connection thereof are hereby delegated to the Chief Fiscal Officer.
 - Section 12. The validity of the Refunding Bonds may be contested only if:
- 1. Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2. The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
 - 3. Such obligations are authorized in violation of the provisions of the Constitution.
- Section 13. A summary of this resolution, which takes effect immediately, shall be published in the official newspaper of said County, together with a notice of the Clerk of the Legislature in substantially the form provided in Section 81.00 of the Local Finance Law.

AUTHORIZING THE ACQUISITION OF PROPERTY LOCATED AT 209-217 CHARLES AVENUE FROM THE ONONDAGA COUNTY HOUSING DEVELOPMENT FUND COMPANY TO THE COUNTY OF ONONDAGA, AND DETERMINING THIS ACTION TO CONSTITUTE AN UNLISTED ACTION WITH A NEGATIVE DECLARATION UNDER THE STATE ENVIRONMENTAL QUALITY REVIEW ACT

WHEREAS, by Resolution No. 267-2014, the Onondaga County Legislature authorized the acquisition by the Onondaga Housing Development Fund Company Inc. of tax delinquent property located at 209-217 Charles Avenue in the Village of Solvay, Tax Map No. 011.-09-05.1; and

WHEREAS, the Onondaga County Housing Development Fund Company no longer has plans to develop said property for moderate income housing purposes (Res. No. 120-2015); and

WHEREAS, the County of Onondaga has entered into a Grant Disbursement Agreement with Empire State Development for the Western Onondaga Lake Revitalization Project, and pursuant to this agreement, the County has received a commitment from Empire State Development for a grant to sell the above mentioned property and provide subsidies for the construction of single family homes on the property in furtherance of the Grant Disbursement Agreement; and

WHEREAS, the Onondaga County Housing Development Fund Company is the owner of said lots, and it is the desire of this Legislature to authorize the transfer of said properties to the County of Onondaga; now, therefore be it

RESOLVED, that the acquisition and sale of the above mentioned property constitutes an Unlisted Action, determined after an analysis of the potential environmental impacts under the State Environmental Quality Review Act (SEQRA), with a short Environmental Assessment Form having been completed, reviewed, and on file with the Clerk of this Legislature, and this Legislature further finds and declares a negative declaration under SEQRA, where the proposed action will not have a significant effect on the environment; and, be it further

RESOLVED, that for a consideration of \$1.00, payment waived, the County Executive is authorized to execute deeds and such other documents as may be necessary to acquire the above mentioned property.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The County will acquire .66 acres of land from the Onondaga Housing Development Fund Company Inc. and sell said land to a private developer(s) for new single-family residential construction. The Onondaga Housing Development Fund Company Inc. acquired the tax delinquent property in 2014 and demolished existing residential structures. The action at issue is the acquisition and subsequent sale of the now vacant land, and developers seeking to build on these approved lots will have their plans undergo any required SEQRA review by the agency (ies) with funding, land use and/or site plan approval authority. Because this Unlisted Action involves the acquisition and subsequent sale of a parcel formerly containing residences for the purpose of facilitating the construction of new single-family homes, this action will not result in any significant adverse environmental impacts and Onondaga County therefore issues this negative declaration for purposes of Article 8 of the Environmental Conservation Law.

RESOLUTION NO.	

AUTHORIZING THE TRANSFER OF TAX DELINQUENT PROPERTY TO THE ONONDAGA COUNTY INDUSTRIAL DEVELOPMENT AGENCY

WHEREAS, Lot No. 031.-11-01.1, also known as 7528 State Fair Boulevard in the Town of Van Buren, is tax delinquent; and

WHEREAS, the Onondaga County Industrial Development Agency was established by Section 895 of New York General Municipal Laws; and

WHEREAS, the Onondaga County Industrial Development Agency has need for said property for economic development purposes; and

WHEREAS, it appears that portions of the property was the site of a petroleum spill, which may negatively affect the market value of the property for sale at public auction; and

WHEREAS, the County is the owner and holder of the tax sale certificate on said lot, and it is the desire of this Legislature to authorize the transfer of said property to the Onondaga County Industrial Development Agency; now, therefore be it

RESOLVED, that the proposed action is an unlisted action and this Legislature shall act as the Lead Agency for the purposes of the New York State Environmental Quality Review Act (SEQRA); and, be it further

RESOLVED, that the Short Environmental Assessment Form for this project has been completed and reviewed and is on file with the Clerk of the Legislature; and, be it further

RESOLVED, that this Legislature hereby finds and declares a negative declaration under SEQRA in that there is no anticipated construction and no anticipated change in use, that the identified possible impacts, if any, on air quality and surface water quality will not be significant and there is little likelihood of significant adverse environmental impacts; and, be it further

RESOLVED, that for a consideration comprised (1) of payment of taxes due in 2017 for the period of time between September 2017 and December 2017, estimated to be a minimum of \$20,239.86, and (2) of an environmental indemnification from the buyer, the County Executive and the Onondaga County Chief Fiscal Officer be and hereby are authorized to execute deeds to acquire the above mentioned property by tax deed, to transfer said properties to the Onondaga County Industrial Development Agency, and to discharge any and all unpaid interest and penalties thereon excepting the year on which the tax deed is based, and it is further resolved that the County Executive is further authorized to execute agreements to further the intent of this Resolution.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The County is considering foreclosing on the tax delinquent former Syroco property and then transferring said property to the Onondaga County Industrial Development Agency for purposes of potential future industrial/commercial development. The County will not take possession of the property; rather, it will foreclose on and then immediately transfer the property. A potential future developer must have any plans undergo a full SEQRA review by the agency(ies) with land use and site plan approval authority. The property has substantial back taxes and the former owner, Syroco, has effectively abandoned the property. There is potential petroleum contamination at the site, and the eventual transfer of the property to an entity who is willing to conduct any necessary remediation and turn the property back into productive use would benefit the environment and community. As such, Onondaga County issues this negative declaration for purposes of Article 8 of the Environmental Conservation Law because the foreclosure and immediate transfer of the property to OCIDA is an Unlisted Action which will not result in any significant adverse environmental impacts.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.						
Check this box if you have determined, based on the information and analysis above, and any supporting documental that the proposed action will not result in any significant adverse environmental impacts.

BOND RESOLUTION

A RESOLUTION AUTHORIZING IMPROVEMENTS TO THE ONONDAGA COUNTY WAR MEMORIAL IN AND FOR THE COUNTY OF ONONDAGA, NEW YORK, AT A MAXIMUM ESTIMATED COST OF \$4,500,000, AND AUTHORIZING THE ISSUANCE OF \$4,500,000 BONDS OF SAID COUNTY TO PAY COSTS THEREOF

BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Onondaga, New York, as follows:

- Section 1. Improvements to the Onondaga County War Memorial, including reconstruction of Assembly Hall and construction of multi-seat suites, the purchase and installation of a new scoreboard or other LED screens as well as incidental costs in connection therewith, is hereby authorized at an estimated maximum cost of \$4,500,000.
- Section 2. The plan for the financing thereof is by the issuance of \$4,500,000 bonds of said County hereby authorized to be issued therefor.
- Section 3. It is hereby determined that the period of probable usefulness of the specific object or purpose is twenty years, pursuant to subdivision 92 (subdivision 12(a)(1)) of paragraph a of Section 11.00 of the Local Finance Law.
- Section 4. The faith and credit of said County of Onondaga, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.
- Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Chief Fiscal Officer of such County. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Chief Fiscal Officer, consistent with the provisions of the Local Finance Law.
- Section 6. All other matters except as provided herein relating to the bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue bonds with substantially level or declining annual debt service, shall be determined by the Chief Fiscal Officer, the chief fiscal officer of such County. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Chief Fiscal Officer shall determine consistent with the provisions of the Local Finance Law.
- Section 7. The County Executive is authorized to enter into contracts to implement the intent of this resolution.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 9. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 10. This resolution, which takes effect immediately, shall be published in summary form in the Syracuse Post Standard, the official newspaper of said County, together with a notice of the Clerk of the County Legislature in substantially the form provided in Section 81.00 of the Local Finance Law.

DECOLUTION N	<u> </u>
RESOLUTION N	O.

AUTHORIZING THE EXECUTION OF INTERMUNICIPAL AGREEMENTS TO SHARE ONONDAGA COUNTY'S MASTER SITE SERVER LOCATED AT THE E-911 EMERGENCY COMMUNICATIONS CENTER

WHEREAS, Onondaga County operates a Department of Emergency Communications, which is headed by a Commissioner, who, among other things, is responsible for administering the operation of a county-wide emergency communications simulcast digital trunked land mobile radio (TLMR) network known as the Onondaga County Interoperable Communications System (OCICS); and

WHEREAS, the OCICS is a Master Site server to coordinate radio conversations on the TLMR and to gain efficiencies in the use of public airspace; and

WHEREAS, the Master Site server continues to have sufficient capacity for additional public safety users (Resolution No. 294-2010); and

WHEREAS, granting access to the Master Site server to the County of Jefferson and the County of Oneida would reduce the overall maintenance cost of the server to the County of Onondaga while providing interoperability benefits between the Counties, and access to the Onondaga County Master Site server would allow municipalities to gain greater efficiencies while providing for the safety and protection of the public and public safety responders; now, therefore be it

RESOLVED, that the County Executive is hereby authorized to execute any and all documents necessary to enter into agreements with the County of Jefferson, the County of Oneida, and other municipalities, to grant access for such municipalities to Onondaga County's Master Site server, and to install such equipment as may be needed to advance the intent of this resolution; and, be it further

RESOLVED, that such agreements provide for Onondaga County to retain ownership over the Master Site server, for the allocation of a fair share of administration costs and obligations to each of the Master Site users, and for procedures for the fair use of the Master Site; and, be it further

RESOLVED, that any agreements with counties regarding sharing of the Onondaga County Master Site server under Resolution No. 204-2010 are confirmed and ratified by this Onondaga County Legislature, and shall remain in full force and effect.

LOCAL LAW NO. _____ - 2017

A LOCAL LAW AMENDING THE ONONDAGA COUNTY CHARTER AND ADMINISTRATIVE CODE TO PROMOTE GOOD GOVERNMENT AND PROVIDE CLARIFICATION AND GUIDANCE RELATED TO COUNTYWIDE ELECTED OFFICIALS TO CONFORM WITH HISTORICAL CONSTRUCTION, PRACTICE AND USAGE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ONONDAGA, AS FOLLOWS:

Section 1. Findings.

The Onondaga County Charter and the Onondaga County Administrative Code require certain countywide elected officials and employees to devote their "whole time" (Onondaga County Charter) and/or their "entire time" (Onondaga County Administrative Code) to their positions in County government.

No definition of "whole time" and/or "entire time" exists in the Onondaga County Charter or the Onondaga County Administrative Code.

As a result, questions and concerns have been raised about whether Countywide elected officials subject to the term "whole time" and/or "entire time" can have employment, and receive compensation, other than for their County employment ("Outside Employment").

Subject to the exceptions set forth in Section 2 below, the acceptance of compensation for Outside Employment is evidence that a Countywide official subject to the whole time and/or entire time requirement is not devoting his or her whole time or entire time to their respective County employment.

The County Legislature is the representative County body most closely connected with its constituency, the citizens within each of the seventeen districts. This local law is intended to clarify certain terms based on historical construction, practice and usage, and set standards and procedures to address the concerns and questions raised about elected Countywide officials Outside Employment.

Section 2. Limit on Outside Employment.

(a) Section 105 of the Charter is amended to add the following subsection (j), clarifying existing language in the Charter based on historical practices, construction and usage:

As used in this Charter, "whole time" shall mean the entirety of one's time and work hours, and "whole time" shall be interpreted and applied in a way to exclude the possibility of the Countywide official holding any external employment beyond the scope of the official's office, where employment shall be the performance of services or the provision of goods in exchange for compensation of any nature, including without limitation, receipt of money. Said another way, any external employment for compensation conflicts with an Countywide elected official's duties and is prohibited where such official is subject to the "whole time" provision of the Onondaga County Charter. Notwithstanding the foregoing, nothing contained in this definition shall prohibit a Countywide elected official subject to the

"whole time" provision of the Onondaga County Charter from seeking an official opinion from the Charter Conflict Committee, created in this Local Law, as to whether certain nominal (as defined in the current Oxford English Dictionary under subsection 2 as "very small; far below the real value or cost") part-time employment, passive income, volunteer work, and/or similar type non-profit making positions, are excluded from the "whole time" provisions of the Charter because they will not have a material effect on the Countywide elected officials duties.

Section 3.

(a) A new Section 106 shall be added to Article I of the Onondaga County Charter and shall read as follows:

The County Legislature hereby creates the Charter Conflict Committee whose duty shall be to review and provide opinions and determinations on whether employees who are subject to the "whole time" and "entire time" provisions of the Onondaga County Charter and Onondaga County Administrative Code will meet, are meeting, or have violated, the requirements set forth in Section 2 of this Local Law (or Section 105 (j) of the County Charter, as amended). The Charter Conflict Committee shall consist of five (5) members, three (3) to be appointed by the Chairman of the County Legislature and two (2) to be appointed by the County Executive, such appointments to be subject to a majority vote of the County Legislature. Upon the advice of the Law Department, the Charter Conflict Committee shall set the rules and procedures of hearing and determining cases under this Section. Nothing contained herein shall be read, interpreted, construed or understood to impede, limit or restrict in any way the authority of the Onondaga County Ethics Board to fulfill its separate and distinct responsibilities under Article 18 of the General Municipal Law or Local Law 13 of 1990.

The County Legislature hereby authorizes and approves the Charter Conflict Committee to assess fines and/or recommend other types of appropriate employment and disciplinary actions against any employee or public official who the Charter Conflict Committee deems, by a majority vote, to have violated the Outside Employment prohibitions. The fines shall be up to one thousand dollars (\$1,000.00) for each violation and the Charter Conflict Committee may impose multiple fines in the case of multiple violations. The imposition of such fine(s) shall be subject to approval by a majority vote of the County Legislature. Any Countywide elected official subject to any fine shall have the right to appeal such determination under Article 78 of the Civil Practice and Procedure Laws.

- Section 4. Section 105 of the Onondaga County Administrative Code is hereby amended to add a new paragraph (aa) clarify existing language in the Onondaga County Administrative Code based on historical practice, custom, usage that shall be as follows:
- (aa) the term "entire time" shall be defined and be construed in the same manner as "whole time" in the Onondaga County Charter.

Section 5. Severability.

If any clause, sentence, paragraph, section or part of this local law shall be adjudged by a court of competent jurisdiction to be invalid, the judgment shall not affect, impair or invalidate the remainder hereof, but shall be confined in its operation to the clause, sentence, paragraph, section of part thereof directly involved in the controversy in which the judgment shall have been rendered.

Section 7. Effective Date.

This local law shall be effective immediately upon filing, consistent with the provisions of the Municipal Home Rule Law.
